How to offer Christian hospitality without becoming exhausted and overburdened. Generous hospitality is a significant way in which God works through our lives to bring life to others, yet many of us feel ill-equipped and overwhelmed at the prospect, especially if we don't have big houses and we are not wonderful cooks! Carolyn Lacey encourages us to focus on the goal of hospitality, which is to reflect God's welcoming heart, and shows us how we can all do that, regardless of our bank balance or living situation. She explores seven ways in which we can reflect God's character in the way we welcome others into our homes and into our lives, and so point people ultimately to Christ. This practical and realistic book explores how to make generous hospitality part of everyday life without becoming exhausted and overburdened. For most of church history, hospitality was central to Christian identity. Yet our generation knows little about this rich, life-giving practice. Christine D. Pohl's book Making Room: Recovering Hospitality as a Christian Tradition has helped foster renewal of the central but long-neglected practice of Christian hospitality. This new study guide for Making Room provides a variety of ways in which people can learn more about the practice. Designed for use by small groups -- though individuals will also profit from it -- the study guide is divided into nine lessons corresponding to the chapters of Making Room. Each lesson begins with an introduction briefly highlighting the main points of the book, followed by sections on group building, Scripture, discussion, reflection, and personal application. Each lesson also provides aids for group leaders and suggested activities to help participants begin to make the practice of hospitality part of their daily life. In 2014, the ethics and politics of hospitality were brought into stark relief. Three years into the Syrian conflict, which had already created nearly 2.5 million refugees and internally displaced 6.5 million, the UN called on industrialised countries to share the burden of offering hospitality through a fixed quota system. The UK opted out of the system whilst hailing their acceptance of a moral responsibility by welcoming only 500 of the 'most vulnerable' Syrians. Given the state's exclusionary character, what opportunities do other spaces in international politics offer by way of hospitality to migrants and refugees? Hospitality can take many different forms and have many diverse purposes. But wherever it occurs, the boundaries that enable it and make it possible are both created and unsettled via exercises of power and their resistance. Through modern examples including refugee camps, global cities, postcolonial states and Europe, as well as analysis of Derridean and Foucauldian concepts, Migration, Ethics and Power explores: The process and practice of hospitality The spaces that hospitality produces The intimate relationship between ethics and power This is a brilliantly contemporary text for students of politics, international relations and political geography. The inspiring story and guide to becoming successful by one of the world's leading restaurateurs - now in paperback. Successful entrepreneur from the cut-throat restaurant business tells all - the business equivalent to Kitchen Confidential. Danny Meyer's approach is the direct opposite of received business wisdom - and it clearly works! Essential and inspiring reading for anyone interested in setting up their own business. Engaging and full of lessons - hardback edition selected by Management Today magazine as one of the best business books published in 2007 From an award-winning restaurateur comes an intimate and inspirational portrait of business well done, with hands-on advice, enlightening anecdotes, and the fascinating story of staggering success in one of the world's most unforgiving arenas. Danny Meyer is the CEO of the Union Square Hospitality Group and co-owner of eleven critically acclaimed establishments in New York, including his first, the Union Square Café, which came second in the Zagat Survey 2006 only because his Gramercy Tavern was number one. 'Any restaurateur, for that matter any businessperson or entrepreneur, should read this book. Danny Meyer runs a great business and this is a terrific book!' - Gordon Ramsay. 'Danny Meyer's marvelous book is not just about restaurants, but about how to really learn a business..... This book is full of wisdom for entrepreneurs, and for every manager' - Prof. Michael Porter, Harvard Business School. Completely revised and updated to include more information on Internet marketing, tourism marketing, marketing technology, and international business, Hospitality Marketing Management, Fifth Edition is a comprehensive, core marketing text. This popular textbook explores marketing and themes unique to hospitality and tourism, with a focus on the practical applications of marketing rather than marketing theory. It provides readers with the tools they need to successfully execute marketing campaigns for a hospitality business, no matter what their specialty. We can take our world for God by giving the ministry to laymen who are using their gifts to grow their groups, to double their groups every two years or less. A group of ten that doubles every eighteen months will reach a thousand people in ten years. It is happening. It is happening like never before. Bill Hybels spoke at North Point's fifteen-year anniversary. He described North Point by saying it is the fastest movement in history. How did they do it? Doubling groups that are growing through hospitality are two key components. They are two components every church can use to reach their community. May God richly bless your efforts to reach people for Him. We must work in the power of the Holy Spirit. We must work in faith. We must work in humility. May God richly bless His work through His people for His glory. Learn how this ancient spiritual practice can transform your relationship with yourself, with others and with God. "The practice of deep hospitality can help us step into a more vital, vibrant embrace of this great adventure we call life - which includes our relationship with God, however you might define God. . . . It is an invitation to walk through life with a liberating posture of receptivity, reverence, and generosity." - from the Introduction We may think of hospitality as merely being polite to guests, but the ancients understood the profound potential hospitality holds for building and transforming lasting relationships - for binding families together, making strangers into friends, even turning enemies into neighbors. This practical book provides you with the tools you need to cultivate the spiritual power of invitation and welcome in your life. Guided by Rev. Nanette Sawyer, you will discover the qualities of hospitality - receptivity, reverence, and generosity - and how these qualities can significantly deepen your self - understanding as well as your relationships with others and with God. Drawing from sacred texts and spiritual practitioners from all faiths, this book also addresses the major stumbling blocks that prevent you from becoming truly hospitable. God's plan for everyone who professes the name of Christ, both men and women, includes hospitality. No one is exempt, from pastor to people. An open heart, open hand and open home is God's divine design to open the hearts of people everywhere it is practiced. Hospitality connects the heart of God and the heart of true ministry for every believer, yet something dramatic has happened in our hearts, closing the doors of our homes, causing Christianity Today to ask, "Whatever Happened to Hospitality?" What about your life? Do you have an open heart, open hand and open home to others... to strangers? The Apostle Paul reminds we must all be "given to hospitality." Pastors and leaders must be "lovers of hospitality." And the Apostle Peter declared, "The end of all things is at hand... use

hospitality ... without grudging." Here is hidden power reserved by God for those who dare to practice it. It is PERSONAL, it is PRACTICAL, and it is PROPHETIC! The Power of Hospitality will change your life, your family, your congregation... yes even your city and your world if your will let it. Success in today's rapidly changing hospitality industry depends on understanding the desires of guests of all ages, from seniors and boomers to the newly dominant millennial generation of travelers. Help has arrived with a compulsively-readable new standard, *The Heart of Hospitality: Great Hotel and Restaurant Leaders Share Their Secrets* by Micah Solomon, with a foreword by The Ritz-Carlton Hotel Company's president and COO Herve Humler. This up-to-the-minute resource delivers the closely guarded customer experience secrets and on-trend customer service insights of today's top hoteliers, restaurateurs, and masters of hospitality management including: Four Seasons Chairman Isadore Sharp: How to build an unsinkable company culture Union Square Hospitality Group CEO Danny Meyer: His secrets of hiring, onboarding, training, and more Tom Colicchio (Craft Restaurants, Top Chef): How to create a customer-centric customer experience in a chef-centric restaurant Virgin Hotels CEO Raul Leal: How Virgin Hotels created its innovative, future-friendly hospitality approach Ritz-Carlton President and COO Herve Humler: How to engage today's new breed of luxury travelers Double-five-star chef and hotelier Patrick O'Connell (The Inn at Little Washington) shares the secrets of creating hospitality connections Designer David Rockwell on the secrets of building millennial-friendly restaurants and hotel spaces (W, Nobu, Andaz) that resonate with today's travelers Restaurateur Traci Des Jardins on building a "narcissism-free" hospitality culture Legendary chef Eric Ripert's principles of creating a great guest experiences, simultaneously within a single dining room. The Heart of Hospitality is a hospitality management resource like no other, put together by leading customer service expert Micah Solomon. Filled with exclusive, first-hand stories and wisdom from the top professionals in the industry, The Heart of Hospitality is an essential hospitality industry resource. As Ritz-Carlton President and COO Herve Humler says in his foreword to the book, "If you want to create and sustain a level of service so memorable that it becomes an unbeatable competitive advantage, you'll find the secrets here." In *Setting the Table*, famous restaurateur Danny Meyer explains how to develop a great restaurant. Drawing on his own experiences of working his way to the top of the industry, he outlines the sheer power of great hospitality and the wondrous success it can bring. As parents of a son with disabilities, Thomas E. Reynolds and his wife know what it's like to be misunderstood by a church community. In *Vulnerable Communion*, Reynolds draws upon that personal experience and a diverse body of literature to empower churches and individuals to foster deeper hospitality toward persons with disabilities. Reynolds argues that the Christian story is one of strength coming from weakness, of wholeness emerging from brokenness, and of power in vulnerability. He offers valuable biblical, theological, and pastoral tools to understand and welcome those with disabilities. *Vulnerable Communion* will be a useful resource for any student, theologian, church leader, or lay person seeking to discover the power of God revealed through weakness. In this book, theologian Letty Russell redefines the commonly held notion of hospitality as she challenges her readers to consider what it means to welcome the stranger. In doing so, she implores persons of faith to join the struggles for justice. Rather than an act of limited, charitable welcome, Russell maintains that true hospitality is a process that requires partnership with the "other" in our divided world. The goal is "just hospitality," that is, hospitality with justice. Russell draws on feminist and postcolonial thinking to show how we are colonized and colonizing, each of us bearing the marks of the history that formed us. With an insightful analysis of the power dynamics that stem from our differences and a constructive theological theory of difference itself, Russell proposes concrete strategies to create a more just practice of hospitality. Across all industries and levels of organizations, one key leadership trait inspires and motivates more than any other: hospitality. We have all encountered inspirational leaders who've helped us, taught us, encouraged us, pushed us to get outside our comfort zones, or motivated us to become the best version of ourselves. What is it about their leadership styles that inspires us to do more for our team and our personal and professional growth? Turns out, we admire these leaders for the same reasons we love our favorite hotels, resorts, restaurants, or bars: How they make us feel is essential. Members of today's workforce—especially millennials and Gen Z—are looking for inspiring environments and work that truly fulfills them. Before anyone is compelled to do anything they first must feel. Speaker, consultant, and hospitality industry veteran Taylor Scott knows that the most effective leaders approach their roles with heart, emotionally connecting with their team members before attempting to manage them. Scott draws from his two decades in leadership roles at respected hotels, resorts, and restaurants. He distills the principles of gracious hospitality, translating them into actionable leadership lessons which apply in any industry, such as:

- How making people feel welcome fosters loyalty and keeps workers engaged with an organization's purpose
- How serving people with empathy and compassion sparks workers' highest productivity
- How making people feel comfortable encourages exploration, curiosity, and discovery while inviting everyone to lean into their creativity
- How making people feel significant drives them to deliver their best work

He also shares specific, practical steps you can take to put these principles into action. Scott shows how to connect, serve, engage, coach, and inspire your peers, teams, and even your own leaders. *Lead with Hospitality* is a call to action to connect with people on a human level which ultimately inspires teams, organizations, and companies to go to the next level. Reliable advice to help hospitality managers prevent legal problems and avoid litigation. Is an unhappy restaurant guest legally entitled to a refund for food she ate? Is a hotel required to replace money that a guest claims was taken from his room? Can a hospital food and beverage director legally accept a holiday gift from a vendor without threatening her employment status? *Hospitality Law, Second Edition* provides readers with answers to these questions and more. Packed with interactive exercises as well as up-to-date legal information specific to the hospitality industry, *Hospitality Law* benefits students by emphasizing preventive legal management and effective decision-making. This Second Edition gives students and managers background on safety and security requirements, disputes with customers, hiring and firing employees, liabilities associated with serving alcohol, and much more, including: New coverage of legal issues in travel and tourism, including those associated with transportation, travel agents, tour operators, gaming, mixed-use, and timeshare properties Newly added real-world legal case summaries that illustrate the practical application of hospitality laws in actual hospitality operations. Each case summary features a "Message to Management" that gives the reader a clear explanation of the impact of the decision on best practices, as well as preventative measures managers can take to limit exposure New coverage of legal issues related to amusement parks and the Internet booking phenomenon New "International Snapshots" offering insights from practicing attorneys and other professionals regarding differences between U.S. and international laws related to hospitality Updated Web exercises and guidance for researching on the Internet Encouraging readers to think critically about legal concepts related to hospitality, *Hospitality Law, Second Edition* is an indispensable part of every hospitality manager's education. This encyclopedia covers all of the relevant issues in the field of hospitality management from both a sectoral level as well as a functional one. Its unique user-friendly structure enables readers to find exactly the information they require at a glance. Intends to deliver insights from a host of scientific investigations pertaining to hospitality, leisure, and tourism while rendering an academic forum to stimulate discussion on literature, contemporary issues and emerging trends essential to theory advancement as well as professional practices from a global perspective. Engaging worship and intentional follow-up processes are important, but what compels guests to return to our churches is the warmth of our welcome and hospitality that goes beyond their expectations. *The Art of Hospitality*, a new comprehensive program developed by hospitality experts from the United Methodist Church of the Resurrection, promises to guide a local church in exactly what the program's title implies: the artform of creating radical hospitality that infiltrates the heart and culture of the entire church. Complete with techniques and strategic planning throughout, *The Art of Hospitality* will effectively change how you do church, leaving guests surprised, delighted, and eager to return. Complementing the program study for leaders is a companion guide meant to prepare the congregations' hearts and minds for a new way of doing church with radical hospitality. Broken into three chapters, this study is designed to coincide with pastor sermons and provide further reading and learning away from the pews. Free downloadable sermon starters will be available online (and in the Implementation Guide) for pastors as they design their sermon series. The three chapters are divided into the following: Biblical Hospitality The Ministry of Notice Three Questions: Why do people need Jesus?; Why do people need the Church?; Why do people need this church? Additional components purchased separately include: *The Art of Hospitality: A Practical Guide for a Ministry of Radical Welcome Book: A foundational guide targeting pastors, staff, and lay leaders across all ministry areas of a church. The Art of Hospitality: Implementation Guide: Includes step-by-step implementation strategies for leadership teams tasked with developing and leading hospitality ministry. The Art of Hospitality: Implementation DVD:*

A supplemental DVD to accompany Implementation with visual training in all areas of hospitality. This compelling and practical program has been created by two hospitality leaders with credentials to claim their expertise: Debi Nixon is the Executive Director of ShareChurch, and Yvonne Gentile is the Senior Director of Guest Connections at The United Methodist Church of the Resurrection—the largest United Methodist Church in the United States with more than 22,000 members and 13,000 average weekly attendees across its campuses. Just come on over. Many people today feel lonely, isolated, and disconnected from God and others. We crave authentic community, but we have no idea where to start. We'd be glad to cultivate friendships; but honestly, who's got the time? In *Invited*, writer Leslie Verner says real hospitality is not having a Pinterest-perfect table or well-appointed living room. True hospitality is not clean, comfortable, or controlled. It is an invitation to enter a sacred space together with friends and strangers. Through vivid accounts from her life and travels in Uganda, China, and Tajikistan, and stories of visiting congregations in the United States, Verner shares stories of life around the table and how hospitality is at the heart of Christian community. What if we in the West learned about hospitality from people around the globe? What if our homes became laboratories of belonging? *Invited* will empower you to open your home, get to know your neighbors, and prioritize people over tasks. Holy hospitality requires more of Jesus and less of us. It leads not only to loving the stranger but to becoming the stranger. Welcome to a new kind of hospitality. The concept of 'mobility' has sparked lively academic debate in recent years. Drawing on research from the fields of anthropology, geography, sociology and tourism studies, this volume examines the intersection between mobility and hospitality, highlighting the issues that emerge as we encounter strangers in a mobile world. Through a series of diverse empirical accounts, it focuses on the transnational movement of people in the contexts of migration and tourism and examines how hospitality serves as a way of promoting and policing encounters, questioning how these relations are marked by exclusion as well as inclusion, and by violence as well as by kindness. In addition to exploring the power relations between mobile populations (hosts and guests) and attitudes (hospitality and hostility), the book also examines spaces of hospitality and mobility, such as cities, hotels, clubs, cafes, spas, asylums, restaurants, homes and homepages. In doing so, it makes a significant contribution to the political and ethical dimensions of mobile social relations. Just come on over. Many people today feel lonely, isolated, and disconnected from God and others. We crave authentic community, but we have no idea where to start. We'd be glad to cultivate friendships; but honestly, who's got the time? In *Invited*, writer Leslie Verner says real hospitality is not having a Pinterest-perfect table or well-appointed living room. True hospitality is not clean, comfortable, or controlled. It is an invitation to enter a sacred space together with friends and strangers. Through vivid accounts from her life and travels in Uganda, China, and Tajikistan, and stories of visiting congregations in the United States, Verner shares stories of life around the table and how hospitality is at the heart of Christian community. What if we in the West learned about hospitality from people around the globe? What if our homes became laboratories of belonging? *Invited* will empower you to open your home, get to know your neighbors, and prioritize people over tasks. Holy hospitality requires more of Jesus and less of us. It leads not only to loving the stranger but to becoming the stranger. Welcome to a new kind of hospitality. Readers seeking management careers in hospitality will enter a dynamic industry filled with opportunities. The rewards are many, but so are the challenges. Today's hospitality managers must deal with such complex factors as globalization, terrorism threats, ecotourism, internet commerce, new business and financial models, and rapidly changing consumer demands. *Introduction to Management in the Hospitality Industry, Tenth Edition* gives readers the industry know-how and the management skills needed to thrive in all aspects of the field, from food service to lodging to tourism. The Tenth Edition of *Introduction to Management in the Hospitality Industry* features both historical perspectives and discussions of new trends in a variety of sectors. This book has the most thorough coverage of the hospitality industry, covering foodservice, lodging, and travel and tourism, hospitality careers, and hospitality management. Readers will have a strong grasp of the many facets of the hospitality industry once they have utilized this textbook. We live amid increasing ethical plurality and fragmentation while at the same time more and more questions of moral gravity confront us. Some of these questions are new, such as those around human cloning and genetics. Other questions that were previously settled have re-emerged, such as those around the place of religion in politics. Responses to such questions are diverse, numerous and often vehemently contested. *Hospitality as Holiness* seeks to address the underlying question facing the church within contemporary moral debates: how should Christians relate to their neighbours when ethical disputes arise? The problems the book examines centre on what the nature and basis of Christian moral thought and action is, and in the contemporary context, whether moral disputes may be resolved with those who do not share the same framework as Christians. Bretherton establishes a model - that of hospitality - for how Christians and non-Christians can relate to each other amid moral diversity. This book will appeal to those interested in the broad question of the relationship between reason, tradition, natural law and revelation in theology, and more specifically to those engaged with questions about plurality, tolerance and ethical conflict in Christian ethics and medical ethics. This cutting edge and comprehensive book—with contributions from the star faculty of Cornell University's School of Hotel Administration—offers the latest thinking on the best practices and strategies for hospitality management. A must for students and professionals seeking to enter or expand their reach in the hospitality industry, *The Cornell School of Hotel Administration on Hospitality* delivers the authoritative advice you need to: Develop and manage a multinational career and become a leader in the hospitality industry Maximize profits from franchise agreements, management contracts, and leases Understand and predict customer choices, and motivate your staff to provide outstanding service Manage hospitality businesses and the real estate underlying the businesses Control costs, coordinate branding strategy, and manage operations across multiple locations *Spiritual sickness troubles American medicine*. Through a death-denying culture, medicine has gained enormous power—an influence it maintains by distancing itself from religion, which too often reminds us of our mortality. As a result of this separation of medicine and religion, patients facing serious illness infrequently receive adequate spiritual care, despite the large body of empirical data demonstrating its importance to patient decision-making, quality of life, and medical utilization. This secular-sacred divide also unleashes depersonalizing, social forces through the market, technology, and legal-bureaucratic powers that reduce clinicians to tiny cogs in an unstoppable machine. *Hostility to Hospitality* is one of the first books of its kind to explore these hostilities threatening medicine and offer a path forward for the partnership of modern medicine and spirituality. Drawing from interdisciplinary scholarship including empirical studies, interviews, history and sociology, theology, and public policy, the authors argue for structural pluralism as the key to changing hostility to hospitality. Invites readers to an authentic vision of selfhood, calling us to be proactive in our interactions with others. Updated to include the current models, theories, and hospitality practices, *Hospitality Strategic Management: Concept and Cases, Second Edition* is a comprehensive guide to strategic management in the international hospitality industry. Author Cathy A. Enz uses the case study approach to cover current topics such as innovation, entrepreneurship, leadership, ethics, and franchising. Eight full case studies with exhibits and documents address the areas of lodging, food service, tourism e-commerce, gaming, cruise lines, and airlines, making this book ideal for executive level training courses or hospitality industry executives interested in developing their strategic management skills. "The practice of deep hospitality can help us step into a more vital, vibrant embrace of this great adventure we call life—which includes our relationship with God, however you might define God. ... It is an invitation to walk through life with a liberating posture of receptivity, reverence, and generosity." National Bestseller *Essential lessons in hospitality for every business*, from the former co-owner of legendary restaurant Eleven Madison Park. Will Guidara was twenty-six when he took the helm of Eleven Madison Park, a struggling two-star brasserie that had never quite lived up to its majestic room. Eleven years later, EMP was named the best restaurant in the world. How did Guidara pull off this unprecedented transformation? Radical reinvention, a true partnership between the kitchen and the dining room—and memorable, over-the-top, bespoke hospitality. Guidara's team surprised a family who had never seen snow with a magical sledding trip to Central Park after their dinner; they filled a private dining room with sand, complete with mai-tais and beach chairs, to console a couple with a cancelled vacation. And his hospitality extended beyond those dining at the restaurant to his own team, who learned to deliver praise and criticism with intention; why the answer to some of the most pernicious business dilemmas is to give more—not less; and the magic that can happen when a busser starts thinking like an owner. Today, every business can choose to be a hospitality business—and we can all transform ordinary transactions into extraordinary experiences. Featuring sparkling stories of his journey through restaurants, with the industry's most famous players like Daniel Boulud and Danny Meyer, Guidara urges us

all to find the magic in what we do—for ourselves, the people we work with, and the people we serve. The bestselling business book from award-winning restaurateur Danny Meyer, of Union Square Cafe, Gramercy Tavern, and Shake Shack Seventy-five percent of all new restaurant ventures fail, and of those that do stick around, only a few become icons. Danny Meyer started Union Square Cafe when he was 27, with a good idea and hopeful investors. He is now the co-owner of a restaurant empire. How did he do it? How did he beat the odds in one of the toughest trades around? In this landmark book, Danny shares the lessons he learned developing the dynamic philosophy he calls Enlightened Hospitality. The tenets of that philosophy, which emphasize strong in-house relationships as well as customer satisfaction, are applicable to anyone who works in any business. Whether you are a manager, an executive, or a waiter, Danny's story and philosophy will help you become more effective and productive, while deepening your understanding and appreciation of a job well done. Setting the Table is landmark a motivational work from one of our era's most gifted and insightful business leaders. What did God use to draw a radical, committed unbeliever to himself? Did God take her to an evangelistic rally? Or, since she had her doctorate in literature, did he use something in print? No, God used an invitation to dinner in a modest home, from a humble couple who lived out the gospel daily, simply, and authentically. With this story of her conversion as a backdrop, Rosaria Butterfield invites us into her home to show us how God can use this same "radical, ordinary hospitality" to bring the gospel to our lost friends and neighbors. Such hospitality sees our homes as not our own, but as God's tools for the furtherance of his kingdom as we welcome those who look, think, believe, and act differently from us into our everyday, sometimes messy lives—helping them see what true Christian faith really looks like. This state-of-the-art handbook approaches the topics of hospitality strategy with an emphasis on immediate application of ideas to current practice. Top hospitality scholars make original contributions with the inclusion of senior level executives input, insights and current best practices. By incorporating the latest research and thinking on various strategic topics with the commentary and insights of successful executives this handbook blends cutting edge ideas and comprehensive reviews of the subject with innovative illustrations and examples from practice. The strength of the handbook is its combination of academic rigour and hospitality application. The handbook will have a clear reference orientation and focus on key topical issues and problem of interest to practitioners and advanced students of hospitality strategy. This book approaches the tourism and hospitality industry from a regional science perspective. By analyzing the spatial context of tourist travels, the hospitality sector, and the regional impacts of tourist activities, it demonstrates the value of the regional science paradigm for understanding the dynamics and effects of tourism and hospitality-related phenomena. Written by leading regional science scholars from various countries as well as professionals from organizations such as OECD and AirBnB, the contributions address topics such as migration, new types of accommodation, segmentation of tourism demand, and the potential use of tracking technologies in tourism research. The content is divided into five parts, the first of which analyzes spatial effects on the development of firms in the tourism industry, while the second approaches temporal and spatial variability in tourism through analytical regional science tools. The broader economic and social impacts of tourism are addressed in part three. Part four assesses specific tourism segments and tourist behaviors, while part five discusses environmental aspects and tourism destination policies. The book will appeal to scholars of regional and spatial science and tourism, as well as tourism specialists and policymakers interested in developing science and evidence-based tourism policies. Too few Christians today, says Joshua Jipp, understand hospitality to strangers and the marginalized as an essential part of the church's identity. In this book Jipp argues that God's relationship to his people is fundamentally an act of hospitality to strangers, and that divine and human hospitality together are thus at the very heart of Christian faith. Jipp first provides a thorough interpretation of the major biblical texts related to the practice of hospitality to strangers, considering especially how these texts portray Christ as the divine host who extends God's welcome to all people. Jipp then invites readers to consider how God's hospitality sets the pattern for human hospitality, offering suggestions on how the practice of welcoming strangers can guide the church in its engagement with current social challenges--immigration, incarceration, racism, and more. "Hospitality involves more than the domesticated event we have grown accustomed to practicing. It is an embodiment of all the Christian life stands for: a gesture of love, opening up our hearts and lives, and sacrificing luxury and security for the chance to display God's glory. To receive hospitality from others is an invitation to receive God's transformative power to work in their lives."
