A new series of bespoke, full-coverage resources developed for the 2015 GCSE Mathematics qualifications. Endorsed for the OCR J560 GCSE Mathematics Foundation tier specification for first teaching from 2015, this Student Book provides full coverage of the new GCSE Mathematics qualification. With a strong focus on developing problem-solving skills, reasoning and fluency, it helps students understand concepts, apply techniques, solve problems, reason, interpret and communicate mathematically. Written by experienced teachers, it also includes a solid breadth and depth of quality questions set

in a variety of contexts. GCSE Mathematics Online - an enhanced digital resource incorporating progression tracking - is also available, as well as Problem-solving Books, Homework Books and a free Teacher's Resource. Latin Stories is an ideal first reader for students of Latin. It offers 100 self-contained passages of manageable length, chosen for their intrinsic interest and adapted from a wide range of ancient authors. Generous help is given, with a short introduction to each story and glossing of all proper names and non-GCSE vocabulary. The collection will also be attractive to older students beginning or returning to the language. Updated to match the 2016 OCR specification, this edition has been restructured to reflect the new examinations, which now have a single language paper. Section 1 provides 30 passages, starting with very short and simple stories and building up to the level of the current OCR GCSE. Section 2 provides 30 differentiated passages of increasing difficulty on historical and miscellaneous topics. Section 3 provides 20 shorter passages of uniform length on mythological topics, with comprehension questions, in the style of Section A of the new GCSE language paper. Section 4 provides 20 passages on historical topics, with comprehension and unseen sections, in the style of Section B of the new GCSE language paper. The new edition is supported by a companion website with an answer key and additional passages. This textbook is endorsed by OCR and supports the specification for GCSE Classical Civilisation (first teaching September 2017). It covers the Thematic Study Component 12 and all three Literature and Culture options (Components 21-23): Thematic Study: Women in the Ancient World by Robert Hancock- Jones Literature and Culture 1: The Homeric World by Dan Menashe Literature and Culture 2: Roman City Life by James Renshaw Literature and Culture 3: War and Warfare by James Renshaw How much can we know about the lives of women in the ancient world? Why is the hero Odysseus such an interesting character? What was it like to watch a gladiatorial fight? Why was the Roman army so successful? This book guides GCSE students to a greater understanding of such issues. The

opening chapter examines the lives of women in Greece and Rome, and also focuses on women in myth and legend. The following three chapters invite readers to explore the culture of the Mycenaeans, city life in the Roman world, and ancient Greek and Roman warfare, focusing both on aspects of ancient society and on related literature. The ideal preparation for the final examinations, all content is presented by experts and experienced teachers in a clear and accessible narrative. Ancient literary and visual sources are described and analysed, with supporting images and examples of non-prescribed sources. Helpful student features include study questions, activities, further reading, and boxes focusing in on key people, events and terms. Practice questions and exam guidance prepare students for assessment. A Companion Website is available at [www.bloomsbury.com/class-civ-gcse](http://www.bloomsbury.com/class-civ-gcse). Fully updated to cover the 2017 CCEA Home Economics: Food and Nutrition GCSE specification, this new edition of the market-leading textbook will guide your students through the content, prepare them for assessment and help you deliver an engaging, cost-effective Home Economics: Food and Nutrition course.

- Ensures your students understand even the most challenging topics such as nutrition and consumer law with clear, accessible explanations of all subject content and simple definitions of key words
- Helps students apply their understanding of food and nutrition with engaging and cost-effective practical food preparation and cooking activities
- Differentiates with stretch and challenge activities to ensure progression and to challenge more able learners
- Prepares students for Controlled Assessment with guidance on the Practical Food and Nutrition task
- Supports exam preparation with advice on preparing for the written paper and practice exam-style questions throughout

A new series of bespoke, full-coverage resources developed for the 2015 GCSE English qualifications. Approved for the AQA 2015 GCSE English Literature specification, this print Student Book is designed to help students develop whole text understanding and written response skills for their closed-book exam. The resource provides scene-by-scene

coverage of Priestley's play as well as a synoptic overview of the text and its themes. Short, memorable quotations and striking images throughout the book aid learning, while in-depth exam preparation includes practice questions and sample responses. See also our *An Inspector Calls* print and digital pack, which comprises the print Student Book, the enhanced digital edition and a free Teacher's Resource. This Maths Revision and Practice range contains clear and accessible explanations of all the GCSE content, with lots of practice opportunities for each topic throughout the book. Based on new research that proves repeated practice is more effective than repeated study, this book is guaranteed to help you achieve the best results. There are clear and concise revision notes for every topic covered in the curriculum, plus seven practice opportunities to ensure the best results. Includes: - quick tests to check understanding - end-of-topic practice questions - topic review questions later in the book - mixed practice questions at the end of the book - free Q&A flashcards to download online - an ebook version of the revision guide - more topic-by-topic practice and a complete exam-style paper in the added workbook Suitable for the new AQA Maths GCSE. Please note this title is suitable for any student studying: Exam Board: AQA Level: GCSE Subject: Mathematics First teaching: September 2015 First exams: June 2017 AQA GCSE Maths, Foundation Student Book has been approved by AQA and specially written by a team of maths experts for the Foundation tier of AQA's 2015 GCSE specification. Designed to fully support the new style of assessment, the book adopts a clear style to focus on delivering exam success via the careful development of fluency and problem solving practice. Powered by MyMaths the book links directly to the ever popular web site offering students a further source of appropriate support. These new resources have been written alongside the new 2016 OCR GCSE Science specifications. Students of all abilities are supported with separate Higher and Foundation books, and maths and practical skills are developed throughout. An assessment item for every assessable learning outcome provides

evidence of students' progress. About this book Norman England is an authoritative textbook for the new AQA British Depth Study: Norman England 1066-1100. It covers:

Part One: Conquest and Control - Causes of conquest: Why did the Normans invade and conquer England? - The Battle of Hastings: Why did William win the Battle of Hastings in 1066? - Establishing control: How did William deal with rebellions and start to take control of the country?

Part Two: Taking Stock - Feudalism: How was the country organised under the Feudal system? - Domesday book: Why was the Domesday survey compiled & what can be learnt from it? - The Medieval Village: What was life like for ordinary people?

Part Three: The Normans and Monasticism - The Church: To what extent did William change the English Church? - Monasticism: How did monasteries change after the Norman conquest?

Norman England is written by the Helena Clarke who has taught History at Wilmslow High School for 10 years and is also team leader for GCSE History for a major awarding body.
