Pitch Anything: An Innovative Method for Presenting, Persuading, and Winning the Deal Mar 14 2022 Gold Medal Winner--Tops Sales World's Best Sales and Marketing Book "Fast, fun and immensely practical." –JOE SULLIVAN, Founder, Flextronics "Move over Neil Strauss and game theory. Pitch Anything reveals the next big thing in social dynamics: game for

business.” –JOSH WHITFORD, Founder, Echelon Media “What do supermodels and venture capitalists have in common? They hear hundreds of pitches a year. Pitch Anything makes sure you get the nod (or wink) you deserve.” –RALPH CRAM, Investor “Pitch Anything offers a new method that will differentiate you from the rest of the pack.” –JASON JONES, Senior Vice President, Jones Lang LaSalle “If you want to pitch a product, raise money, or close a deal, read Pitch Anything and put its principles to work.” –STEVEN WALDMAN, Principal and Founder, Spectrum Capital “Pitch Anything opened my eyes to what I had been missing in my presentations and business interactions.” –LOUIE UCCIFERRI, President, Regent Capital Group “I use Oren’s unique strategies to sell deals, raise money, and handle tough situations.” –TAYLOR GARRETT, Vice President, White Cap “A counter-intuitive method that works.” –JAY GOYAL, CEO, SumOpti

About the Book:
When it comes to delivering a pitch, Oren Klaff has unparalleled credentials. Over the past 13 years, he has used his one-of-a-kind method to raise more than \$400 million—and now, for the first time, he describes his formula to help you deliver a winning pitch in any business situation. Whether you’re selling ideas to investors, pitching a client for new business, or even negotiating for a higher salary, Pitch Anything will transform the way you position your ideas. According to Klaff, creating and presenting a great pitch isn’t an art—it’s a simple science. Applying the latest findings in the field of neuroeconomics, while sharing eye-opening stories of his method in action, Klaff describes how the brain makes decisions and responds to pitches. With this information, you’ll remain in complete control of every stage of the pitch process. Pitch Anything introduces the exclusive **STRONG** method of pitching, which can be put to use immediately: Setting the Frame Telling the Story Revealing the Intrigue Offering the Prize Nailing the Hookpoint Getting a Decision One truly great pitch can improve your career, make you a lot of money—and even change your life. Success is dependent on the method you use, not how hard you try. “Better method, more money,” Klaff says. “Much better method, much more money.” Klaff is the best in the business because his method is much better than anyone else’s. And now it’s yours. Apply the tactics and strategies outlined in Pitch Anything to engage and persuade your audience—and you’ll have more funding and support than you ever thought possible.

First Job Dec 11 2021 Any college graduate entering the

workforce knows that it is a whole new environment to navigate, but is often not adequately prepared for the challenges and subtleties that lie ahead. Using twenty-seven years of practical experience in the business environment, Joyce Jarek explores the common mistakes made in communication, teamwork, and professional decorum on the job, providing guidance for turning mistakes into success. With this book, Jarek provides tips and tools for the entry level worker to manage workforce rules, manage coworker relationships, and achieve personal and professional goals. First Job is a book for any business owner or human resources department looking to empower new hires through effective training, and for any entry level worker looking to create a viable career and move up the corporate ladder....

Kick Start Your Career Mar 22 2020 For new graduates, the key challenge remains how to secure that first career-related job. Full of guidance and tips on how to handle the complex field of job hunting, Kick Start Your Career can help navigate an ever-changing job market and secure your chance at your desired career. It is a valuable investment in your future. It advises the reader on how to: stand out in job applications; use social media for job searching; create resumes and cover letters that stand out; succeed at interviews. It provides a practical, hands on, step-by-step approach. With an integrated Personal Plan that helps create key job search documents it directs soon-to-be graduates towards achieving their career aspirations. Accompanying online resources include examples and templates, which can be downloaded in Word format to help you prepare resumes and other job search documents. This book will help graduates progressively build up job-hunting resources – skills, achievements, resume, cover letter and interview responses – and turn this into a practical outcome: a new job. It is a key companion to any student or recent graduate exploring the job market.

The First "Real" Job Aug 19 2022 This book examines the work experiences of twenty-five young men and women in their first jobs following high school. The case studies profiled here describe in detail the process of young workers becoming established in our society. The workplaces in which Kathryn M. Borman and her colleagues spent full shifts once a month for over a year were the locales for young workers' first "real" jobs—jobs they held for more than six months and viewed as a

means of entree to adult responsibilities. This study is one of the first to provide an intimate picture of the daily work lives of young factory workers, bank clerks, health spa employees and others who hold jobs in the youth labor market. How jobs provide opportunities for some and hold little hope for advancement for most is vividly described. How employers can improve working conditions for their young employees—especially young women—is clearly apparent in this analysis of the workplace as a “democratic community.” Sociologists and others in the fields of education, labor market economics, women's studies, and the anthropology of work will find this volume important reading.

How to Succeed in Your First Job Dec 23 2022 How to Succeed in Your First Job Part One of a three-part series of a series of practical guidebooks on work transitions. These new books guide new hires—and their managers—step by step through the “breaking-in” process that is absolutely essential for helping new employees thrive. It is relatively easy to get new hires to be competent to perform the basic tasks they were hired to do. But success on the job is due to much more than that. It comes from understanding how the organization really works—the unique aspects of how things get done in that particular organization. And it comes from learning how to “fit in”—knowing how to get accepted, get respected, and earn credibility. The three books in the series are: How to Succeed in Your First Job: Tips for New College Graduates Helping Your New Employee Succeed: Tips for Managers of New College Graduates So, You're New Again: How to Succeed When You Change Jobs Built around author Ed Holton's dynamic 12-step process—extensively field-tested and firmly grounded in research—these three volumes give new college graduates and their supervisors, as well as seasoned professionals who've changed jobs, essential insights and tools for mastering a variety of transition challenges. Given the high costs associated with new employee turnover, no organization can afford to leave the new employee assimilation process to chance. Corporate human resources directors, managers of new employees, individual employees making job transitions, and career counselors alike will find powerful and practical new ideas and tools in these essential handbooks.

Check out more here: <http://bit.ly/jobsearchhack>

Peaks and Valleys Jun 17 2022 From the #1 New York Times bestselling author of *Who Moved My Cheese?*, a brilliant new parable that shows readers how to stay calm and successful, even

in the most challenging of environments. A young man lives unhappily in a valley. One day he meets an old man who lives on a mountain peak. At first the young man doesn't realize that he is talking to one of the most peaceful and successful people in the world. But in the course of further encounters and conversations, the young man comes to understand that he can apply the old man's remarkable principles and practical tools to his own life to change it for the better. Spencer Johnson knows how to tell a deceptively simple story that teaches deep lessons. The One Minute Manager (co-written with Ken Blanchard) sold 15 million copies and stayed on the New York Times bestseller list for more than twenty years. Since it was published a decade ago, Who Moved My Cheese? has sold more than 25 million copies. In fact there are more than 46 million copies of Spencer Johnson's books in print, in forty-seven languages—and with today's economic uncertainty, his new book could not be more relevant. Pithy, wise, and empowering, Peaks and Valleys is clearly destined to become another Spencer Johnson classic.

General Theory Of Employment , Interest And Money Apr 22 2020 John Maynard Keynes Is The Great British Economist Of The Twentieth Century Whose Hugely Influential Work The General Theory Of Employment, Interest And Money Is Undoubtedly The Century S Most Important Book On Economics Strongly Influencing Economic Theory And Practice, Particularly With Regard To The Role Of Government In Stimulating And Regulating A Nation S Economic Life. Keynes S Work Has Undergone Significant Revaluation In Recent Years, And Keynesian Views Which Have Been Widely Defended For So Long Are Now Perceived As At Odds With Keynes S Own Thinking. Recent Scholarship And Research Has Demonstrated Considerable Rivalry And Controversy Concerning The Proper Interpretation Of Keynes S Works, Such That Recourse To The Original Text Is All The More Important. Although Considered By A Few Critics That The Sentence Structures Of The Book Are Quite Incomprehensible And Almost Unbearable To Read, The Book Is An Essential Reading For All Those Who Desire A Basic Education In Economics. The Key To Understanding Keynes Is The Notion That At Particular Times In The Business Cycle, An Economy Can Become Over-Productive (Or Under-Consumptive) And Thus, A Vicious Spiral Is Begun That Results In Massive Layoffs And Cuts In Production As Businesses Attempt To Equilibrate Aggregate Supply And Demand. Thus, Full Employment Is Only One

Of Many Or Multiple Macro Equilibria. If An Economy Reaches An Underemployment Equilibrium, Something Is Necessary To Boost Or Stimulate Demand To Produce Full Employment. This Something Could Be Business Investment But Because Of The Logic And Individualist Nature Of Investment Decisions, It Is Unlikely To Rapidly Restore Full Employment. Keynes Logically Seizes Upon The Public Budget And Government Expenditures As The Quickest Way To Restore Full Employment. Borrowing The Money To Finance The Deficit From Private Households And Businesses Is A Quick, Direct Way To Restore Full Employment While At The Same Time, Redirecting Or Siphoning Off The Funds From The Private Sector Which Caused The Over-Production Is In The First Place. Keynes S Theory Is Unquestionably Significant In Understanding Of Modern Economics. Far From Being Destructive, It Alone Has Been Responsible For Nearly 60 Years Of Growth Without A Major Depression As We Experienced Worldwide In The 1930S. While The Present Book Is Indispensable For The Students, Researchers And Teachers Of Economics, It Is Highly Useful For The General Readers Keenly Interested In Understanding Nation S Economy.

Get Your First Job as a Freelancer: 10 Stories from women freelancers Oct 09 2021 In an increasingly connected world, the rise of online freelancing has opened up many opportunities for people to find work beyond their geographical location. However, there is fierce competition, and one of the major challenges that all freelancers face is getting the first job. Getting the first job as an online freelancer may be giving a bit of breathing space in the family budget, or it may be difference between having or not having a few extra luxuries. In this book, we ask 10 women from around the world the following questions about their journey as an online freelancer. Why did you want to become a freelancer? How did you get started? How long did it take you to get your first job as a freelancer? Was it hard to get? Was your experience in your first freelancing job a positive one? What are your hopes as a freelancer? How far do you see your potential as a freelancer? A word of wisdom for others wanting to get into freelancing work online. Be encouraged and inspired by real people who have done it first. Featuring contributions from Vida Antonijević, Goutami Bonik, Alyssa Campita, Mehwish Fatima, Sabrina Hossain, Sana Qaiser, Serah Seroney, Diani Theressa, Christina Turrise and Ayomide Victoria

The Fourth Industrial Revolution Feb 13 2022 The founder and

executive chairman of the World Economic Forum on how the impending technological revolution will change our lives. We are on the brink of the Fourth Industrial Revolution. And this one will be unlike any other in human history. Characterized by new technologies fusing the physical, digital and biological worlds, the Fourth Industrial Revolution will impact all disciplines, economies and industries - and it will do so at an unprecedented rate. World Economic Forum data predicts that by 2025 we will see: commercial use of nanomaterials 200 times stronger than steel and a million times thinner than human hair; the first transplant of a 3D-printed liver; 10% of all cars on US roads being driverless; and much more besides. In *The Fourth Industrial Revolution*, Schwab outlines the key technologies driving this revolution, discusses the major impacts on governments, businesses, civil society and individuals, and offers bold ideas for what can be done to shape a better future for all.

Can I Wear My Nose Ring to the Interview? Dec 31 2020 Writing with enormous authority and a compelling, lively voice, Ellen Reeves brings together her lifetime of experience of hiring, counseling, and résumé-doctoring into an essential guide for young job seekers. *Can I Wear My Nose Ring to the Interview?* takes readers step-by-step through a process that was always tough, but is today especially challenging. Yes, if you're wedded to your nose ring, wear it to the interview. No, you shouldn't be e-mailing out hundreds of résumés. Begin the search with a professional mind-set—get organized, and set yourself up with business cards, a respectable e-mail address, and a working cell phone. The importance of networking and the rule of three—try to make three e-mails or phone calls a day, but never more than that. The "elevator speech"—hone your pitch to the length of an elevator ride and be prepared to use it at the most unexpected times. The art of writing cringe-free cover letters and killer résumés—from timelines, hooks, and grammatical do's and don'ts to why you should never use the phrase "References available upon request," never include your GPA, and never, ever make a typo. How to dress for an interview, including why to put on your business clothes when interviewing at home, over the phone. Things to be honest about: citizenship and past salary range. And things not to say: "I want this job because I need health insurance." Then once you're in, how to negotiate salary, what to expect in a review, and basic first job common sense: take

initiative, be humble and helpful, never use your boss as a confidant, and always say "I'll find out" instead of "I don't know." Now you're on your way.

Bullshit Jobs Oct 21 2022 From bestselling writer David Graeber—"a master of opening up thought and stimulating debate" (Slate)—a powerful argument against the rise of meaningless, unfulfilling jobs...and their consequences. Does your job make a meaningful contribution to the world? In the spring of 2013, David Graeber asked this question in a playful, provocative essay titled "On the Phenomenon of Bullshit Jobs." It went viral. After one million online views in seventeen different languages, people all over the world are still debating the answer. There are hordes of people—HR consultants, communication coordinators, telemarketing researchers, corporate lawyers—whose jobs are useless, and, tragically, they know it. These people are caught in bullshit jobs. Graeber explores one of society's most vexing and deeply felt concerns, indicting among other villains a particular strain of finance capitalism that betrays ideals shared by thinkers ranging from Keynes to Lincoln. "Clever and charismatic" (The New Yorker), *Bullshit Jobs* gives individuals, corporations, and societies permission to undergo a shift in values, placing creative and caring work at the center of our culture. This book is for everyone who wants to turn their vocation back into an avocation and "a thought-provoking examination of our working lives" (Financial Times).

Your First Job Nov 22 2022 Step-by-step approach to finding that first job out of high school, college or grad school in today's New Economy. *Your First Job* is written by Dan Quillen, who has 25 years of experience as a Hiring Manager and is the author of three job search books by Cold Spring Press (*Get a Job*; *The Perfect Resume*; and *The Perfect Interview*). Chapters include: how to plan for the end of high school, college or grad school with that first job in mind; how to not get discouraged along the way; figuring out goals and objectives; how to plan the job search, including where to apply; how to best use social media; how to prepare a resume; how to write cover letters; how to conduct interviews; how to follow-up after the interview; what to do when you land the job; what's expected at a new job and how to act at work on the first day/first month/etc.

Features checklists, resume samples, cover letter samples (including how not to write a resume or cover letter) and more!

The Discourses of Epictetus May 24 2020

Future of Jobs Dec 19 2019 Times are changing and the labor markets are under immense burden from the collective effects of various megatrends. Technological growth and grander incorporation of economies along with global supply chains have been an advantage for several workers armed with high skills and in growing occupations. However, it is a challenge for workers with low or obsolete skills in diminishing zones of employment. Business models that are digitalized hire workers as self-employed instead of standard employees. People seem to be working and living longer, but they experience many job changes and the peril of skills desuetude. Inequalities in both quality of job and earnings have increased in several countries. The depth and pace of digital transformation will probably be shocking. Industrial robots have already stepped in and artificial intelligence is making its advance too. Globalization and technological change predict the great potential for additional developments in labor market performance. But people should be ready for change. A progression of creative annihilation is probably under way, where some chores are either offshored or given to robots. A better world of for jobs cannot be warranted – a lot will be contingent on devising the right policies and institutes in place.

First Job (free superheroes) May 04 2021 In a world where superheroes are a business, sixteen-year-old Alex Fry gets the dream job of teenagers everywhere when he is hired by the famous superhero Rubberman as his sidekick. As Rubberman's sidekick, Alex hopes to not only learn how to use his powers, but also save up enough money to buy his first car before he heads off to college. But Alex gets more than he bargains for when a powerful supervillain with mysterious connections to Rubberman's past appears in his city with a dangerous agenda. Now Alex must master his powers in time to help Rubberman defeat this supervillain before he succeeds in his vile plans. Yet when Alex learns about the darker side of the superhero industry, he finds himself unsure whether to keep working for Rubberman or to stand against him for the greater good. If Alex makes the wrong choice, it will change his life—and the fate of his hometown—forever. The New Geography of Jobs Mar 02 2021 A rising young economist at Berkeley makes correlations between success and geography, explaining how such rising centers of innovation as San Francisco, Boston and Austin are likely to offer influential opportunities and shape the national and global economies in positive or detrimental ways.

Pitch Perfect Sep 20 2022 Media guru and Emmy Award-winning correspondent Bill McGowan—coach to some of the biggest names in business and entertainment, including Eli Manning, Kelly Clarkson, Jack Welch, Thomas Keller and Kenneth Cole teaches you how to get your message across and get what you want with pitch perfect communication. He is also a trusted advisor in the C-suites of tech companies like, Facebook, Spotify, AirBnB, Dropbox and Salesforce.com. Saying the right thing the right way can make the difference between sealing the deal or losing the account, getting a promotion, or getting a pink slip. It's

essential to be pitch perfect—to get the right message across to the right person at the right time. In *Pitch Perfect*, Bill McGowan shows you how to craft the right message and deliver it using the right language—both verbal and nonverbal. *Pitch Perfect* teaches you how to overcome common communication pitfalls using McGowan's simple Principles of Persuasion, which are highly effective and easy to learn, implement, and master. With *Pitch Perfect* you can harness the power of persuasion and have people not only listening closely to your every word but also remembering you long after you've left the room.

Get Your First Job as a Freelancer: 10 Stories from Men in Freelancing Feb 01 2021 Getting the first job as a freelancer opens the door to a whole new world of work and business opportunities for people around the world. However, there is fierce competition, and one of the major challenges all freelancers face is getting the first job. In this book, we ask 10 men from around the world about their journey as an online freelancer, about their first job, and ask them the following questions. How long did it take you to get your first job as a freelancer? Was it hard to get? Was your experience in your first freelancing job a positive one? What are your hopes as a freelancer? How far do you see your potential as a freelancer? Be encouraged and inspired by real people who have done it first. Featuring Contributions from A.H.M. Rashad Sorwar, Bryon Ngo, Diego Navarro, Ford Wanyonyi, Ishtiyah Hussain, Lalit

Khokhar, Muhammad Aulia Rahman, Pantelis Nikolopoulos, Seun Ajia, and Thanadon Tantivit.
