**How to Get Your Motorcycle Up and Running** Mar 25 2020 If your bike doesn't start and run, or run right, wouldn't it be great to know what the shops do? Well now you can, because this new book was written by the owners of a motorcycle repair shop! With over 30 years experience of working on every year, make and model of motorcycle, and after 25 years of owning and operating their own shop, Leigh & Randy Ellis literally "wrote the book" on getting your bike "up & running." This is the essential motorcycle manual! Written in easy to understand non-technical, "user-friendly" language, it's the only book of it's kind that literally walks you through the "make-run" process! With motorcycle repair shops charging what they do, this book can save you a small fortune! If you have a motorcycle that doesn't run or run right - you need this book, and if you have a motorcycle enthusiast in your life, this book would make the perfect gift!
