Engine Repair, published as part of the CDX Master Automotive Technician Series, provides students with the technical background, diagnostic strategies, and repair procedures they need to successfully repair engines in the shop. Focused on a “strategy-based diagnostics” approach, this book helps students master diagnosis in order to properly resolve the customer concern on the first attempt. Complete coverage for your Chevrolet Equinox (2005 thru 2012) and Pontiac Torrent (2006 thru 2009): -- Routine maintenance --Tune-up procedures --Engine repair --Cooling and heating --Air conditioning --Fuel and exhaust --Emissions control --Ignition --Brakes --Suspension and steering --Electrical systems --Wiring diagrams With a Haynes manual, you can do

it yourself?—¿from simple maintenance to basic repairs. Haynes writes every book based on a complete teardown of the vehicle. We learn the best ways to do a job and that makes it quicker, easier and cheaper for you. Our books have clear instructions and hundreds of photographs that show each step. Whether you're a beginner or a pro, you can save big with Haynes! Step-by-step procedures --Easy-to-follow photos --Complete troubleshooting section --Valuable short cuts --Color spark plug diagnosis All models. A Globe and Mail bestseller! • “Dr. Phil,” Canada’s best-known automotive expert, and George Iny walk you through another year of car buying. After almost fifty years and two million copies sold, Phil Edmonston has a co-pilot for the Lemon-Aid Guide — George Iny, along with the editors of the Automobile Protection Association. The 2018 Lemon-Aid features comprehensive reviews of the best and worst vehicles sold since 2007. You’ll find tips on the “art of complaining” to resolve your vehicular woes and strategies to ensure you don’t get squeezed in the dealer’s business office after you’ve agreed on a price and let your guard down. And to make sure you receive compensation where it’s due, Lemon-Aid’s unique secret warranties round-up covers manufacturer extended warranties for performance defects. Lemon-Aid is an essential guide for careful buyers and long-time gearheads (who may not know as much as they think). With a high-stakes barbecue contest coming to town, Sophie “Phee” Kimball’s friends will get raked over the coals when one of the contestants is murdered . . . Sun City West is abuzz with the news that the Food Network is sponsoring a local barbecue cook-off and that Phee’s

friends from the pinochle club are in the finals. But the mood soon darkens when the county planning committee announces a plan to situate a new garbage transfer station on the town's edge. With tempers flaring and rumors of corruption swirling, it comes as little surprise when the committee's chair, who happens to be a finalist in the cook-off, is found murdered. When Phee's friends are named as the most likely suspects, she knows the accusation stinks to high heaven. As she navigates a world of politics and payoffs, she discovers there are any number of community members, along with the committee itself, who had a reason to want the chair dead. With the barbecue contest in full swing and celebrity chefs on hand to judge, Phee will have to sniff out the clues, no matter how noxious, to catch a killer . . .

Praise for the Books of J. C. Eaton: "Fun characters, a touch of humor, and a great mystery, the perfect combination for a cozy." —Lena Gregory, author of the Bay Island Psychic Mysteries on *Ditched 4 Murder* "So cleverly written, you won't guess the perpetrators until the very end." —Mary Marks, award-winning author of the Quilting Mystery Series on *Booked 4 Murder* "A thoroughly entertaining series debut, with enjoyable yet realistic characters and enough plot twists—and dead ends—to appeal from beginning to end." —Booklist, starred review, on *Booked 4 Murder* "Enjoy this laugh-out-loud funny mystery that will make you scream for the authors to get busy on the next one." —Suspense Magazine on *Molded 4 Murder*

Total Car Care is the most complete, step-by-step automotive repair manual you'll ever use. All repair procedures are supported by detailed specifications, exploded views, and

photographs. From the simplest repair procedure to the most complex, trust Chilton's Total Car Care to give you everything you need to do the job. Save time and money by doing it yourself, with the confidence only a Chilton Repair Manual can provide. Build a powerful social media strategy to increase buzz—and the bottom line “Whether you’re Fortune 500 or a small business owner, if you’re looking for success in this field, you owe it to yourself to read this book.” —George G. Smith Jr., Social Strategist, PepsiCo

“After working with hundreds of organizations in their efforts to adopt social technologies, I can safely say *The Social Media Strategist* is the best guide available. Christopher Barger elevates the social media conversation with an experienced pragmatic insider’s discussion about real adoption. This book should be on every corporate and agency practitioner’s shelf.” —Geoff Livingston, author of *Welcome to the Fifth Estate* and *Now Is Gone*

“This book is an absolute must-read for anyone seeking to better understand how to plug social media into their business from both a strategic and an operational standpoint, and should be required reading for communications and business management students around the world.” —Olivier A. Blanchard, author of *Social Media ROI*

“*The Social Media Strategist* is refreshing because it has substance amidst a sea of social media superficiality. It will help you think strategically and realistically so you can act efficiently and creatively. If you’re serious about business and committed about leveraging social media, you need to read this book.” —Esteban Contreras, Social Media Marketing Manager, Samsung USA

“Christopher offers a

refreshing point of view as a seasoned practitioner and leader in the earliest days of the social media evolution. He describes the challenges of large-scale internal change and the rewards of integrating social media business planning, and he shares real-world examples of successful campaigns.” —Shauna Causey, Head of Social Media, Nordstrom

About the Book: In today’s fast-paced professional climate, large companies are learning that launching a website and taking a wait-and-see approach to engaging customers is not enough. Competition is fierce, and those who master the social media space are the ones who come out on top. There is greater urgency than ever before to establish a vibrant social media program—and it all starts with a key strategist who can best organize and leverage all of the organization’s resources to cut through the bureaucracy and get real-time results. This is where *The Social Media Strategist* comes in. Before tackling specific social media programs, you first have to get your own organization—and everyone in it—on board with making social media a business strategy priority. Christopher Barger, the award-winning former social media director at General Motors and IBM’s former “blogger-in-chief,” describes all the challenges particular to getting a comprehensive social media program off the ground in a large firm. *The Social Media Strategist* teaches you how to:

- Manage internal office politics, from your legal team to the policy makers to the human resource department
- Present new ideas to lawyers and executives in a compelling, convincing way
- Teach your employees the guidelines and protocols they’ll need to represent your company
- Turn

your organization into a true media outlet, publishing content that is generated by in-house employees and is truly engaging to an outside audience “Telling a company from the outside what it should do is one thing,” writes Barger. “Actually making it happen from the inside is quite another.” Here, he takes the bold step of starting where all successful endeavors begin: by planning well, by putting all the moving parts in the right place, by constructing a solid foundation. Consult *The Social Media Strategist* and build the best-suited social media infrastructure for your company. Then, and only then, can you begin to raise your profile, connect with customers, and increase your profits using the most powerful new business tool. This book steers buyers through the the confusion and anxiety of new and used vehicle purchases unlike any other car-and-truck book on the market. “Dr. Phil,” Canada’s best-known automotive expert for more than forty-five years, pulls no punches. Complete step-by-step repair and maintenance information, 700+ photos, and wiring diagrams all based on a full disassembly and reassembly of the vehicle. Offers advice for prospective buyers of cars and trucks, reveals information on secret warranties and confidential service bulletins, and tells how to complain and get results. With a Haynes manual, you can do-it-yourself...from simple maintenance to basic repairs. Haynes writes every book based on a complete teardown of the vehicle, where we learn the best ways to do a job and that makes it quicker, easier and cheaper for you. Haynes books have clear instructions and hundreds of photographs that show each step. Whether you are a beginner or a pro, you can save big with a Haynes

manual! This manual features complete coverage for your Chevrolet Equinox (2005-17), GMC Terrain (2010-17) & Pontiac Torrent (2006-09), covering: Routine maintenance Tune-up procedures Engine repair Cooling and heating Air conditioning Fuel and exhaust Emissions control Ignition Brakes Suspension and steering Electrical systems, and Wiring diagrams. Living big—for less—in America's capital Living big in America's capital takes just the sort of big bucks that fewer and fewer folks have at their disposal these days, right? Think again. Washington, D.C., is full of free and ridiculously cheap stuff—one just needs to know where to look. Leave it to “The Cheap Bastard” to uncover all the ins and outs and exclusive bargains to be had, and to set forth the real deal with wit and humor. The Cheap Bastard's Guide to Washington, D.C. contains hundreds of ideas for living on the cheap without sacrificing necessities or luxuries. It shows:

- How to gain free entrance to plays, films, concerts, and museums
- Where to find free classes in anything from yoga to sailing
- Where to find half-price meals and free, filling, scrumptious food
- How to get a free haircut, color treatment, manicure, or low-cost massage
- When and where to find great furnishings in other people's trash

With The Cheap Bastard's Guide to Washington, D.C., anyone—from students and recent graduates to frugal businesspeople, not to mention the capital's millions of recession-weary annual visitors—can enjoy the good life . . . for less! Component replacement procedures Glossary and acronym list Fully illustrated with over 250 photographs and drawings "Revelatory, terrifying, but, ultimately, hopeful." -Elizabeth Kolbert, Pulitzer Prize-winning author of THE SIXTH EXTINCTION From the author of Junkyard Planet, a journey into the surprising afterlives of our former possessions.

Downsizing. Decluttering. Discarding. Sooner or later, all of us are faced with things we no longer need or want. But when we drop our old clothes and other items off at a local donation center, where do they go? Sometimes across the country-or even halfway across the world-to people and places who find value in what we leave behind. In *Secondhand*, journalist Adam Minter takes us on an unexpected adventure into the often-hidden, multibillion-dollar industry of reuse: thrift stores in the American Southwest to vintage shops in Tokyo, flea markets in Southeast Asia to used-goods enterprises in Ghana, and more. Along the way, Minter meets the fascinating people who handle-and profit from-our rising tide of discarded stuff, and asks a pressing question: In a world that craves shiny and new, is there room for it all? *Secondhand* offers hopeful answers and hard truths. A history of the stuff we've used and a contemplation of why we keep buying more, it also reveals the marketing practices, design failures, and racial prejudices that push used items into landfills instead of new homes. *Secondhand* shows

us that it doesn't have to be this way, and what really needs to change to build a sustainable future free of excess stuff. The motor vehicle industry is one of the world's largest. More than 1 billion vehicles are in use around the world, and 80 million are produced and sold annually. Motor vehicles—including passenger cars, trucks, and commercial vehicles such as buses and taxis—are the principal means by which people and goods are transported within and among most communities in the world. This book details the history of the motor vehicle and of the leading carmakers. Inside, you'll learn just how cars are made and sold; the leading suppliers of parts that go into a car; the increasing role of government in regulating vehicles; and future challenges for the industry. The motor vehicle industry includes corporations that design, develop, and manufacture cars and trucks. These carmakers, such as Ford and Toyota, are among the world's most-familiar corporate brands. The motor vehicle industry also encompasses lesser-known businesses, including several thousand parts makers, tens of thousands of retailers, and specialized lending agencies. The importance of the motor vehicle industry transcends even its central role in the global economy. The industry was responsible for many of the fundamental innovations of 20th century production, such as corporate organization, manufacturing processes, and labor relations, as well as sales innovations including product branding and consumer financing. In the 21st century, the motor vehicle industry has been a leader in adopting new production strategies and expanding into new markets. Covers all U.S. and Canadian models of

Chevrolet Equinox (2005 thru 2009) and Pontiac Torrent (2006 thru 2009). The How Are You Feeling? Board Book by The Indigo Bunting introduces emotional literacy, self-awareness and empathy to toddlers in an engaging and interactive way. Lift the large flaps throughout the book to reveal a variety of emotions and use the mirror on the last page to check out your own facial expressions! * 20 pages * 9 lift-the-flap pages * Mirror feature on last spread * Features 18 emotions * Trim: 7 x 7", 18 x 18 cm Offers advice for prospective buyers of cars and trucks, reveals information on secret warranties and confidential service bulletins, and tells how to complain and get results. With a Haynes manual, you can do-it-yourself...from simple maintenance to basic repairs. Haynes writes every book based on a complete teardown of the vehicle, where we learn the best ways to do a job and that makes it quicker, easier and cheaper for you. Haynes books have clear instructions and hundreds of photographs that show each step. Whether you are a beginner or a pro, you can save big with a Haynes manual! This manual features complete coverage for your Chevrolet Equinox (2005-17), GMC Terrain (2010-17) & Pontiac Torrent (2006-09), covering: Routine maintenance Tune-up procedures Engine repair Cooling and heating Air conditioning Fuel and exhaust Emissions control Ignition Brakes Suspension and steering Electrical systems, and Wiring diagrams. "Dr. Phil," Canada's best-known automotive expert, invites another driver to come aboard. After forty-six years and almost two million copies sold, Phil Edmonston is joined by a co-pilot for the Lemon-Aid Guide — George Iny, along with

the editors of the Automobile Protection Association. The 2017 Lemon-Aid has everything: an encyclopedic lineup of the best and worst cars, trucks, and SUVs sold since 2007; secret warranties and tips on the “art of complaining” to help you get your money back; and new-car buying tips that will save you tons of money by revealing the inflated cost of fancy and frivolous add-ons. Lemon-Aid is an essential guide for careful buyers and long-time gear-heads who don't know as much as they think. Is it true what they say? That we're only as sick as our worst secret? Because Helen Patrice has one. Last night, she murdered a stranger... Helen is a recovering alcoholic struggling through a twelve-step program. Now it's time to make amends for a crime she got away with—a hit and run accident that killed the wife of school teacher Edgar Woolrich. It's time to face the consequences. When she finally gathers the courage to meet him, the ninth step begins with a lie—the first of many as their relationship grows, and Helen knows it's far too late to reveal the truth to a man she's come to love. Then one day, she receives an anonymous note: Does he know you killed his wife? Now her devastating trail of deceit is about to lead her into the darkest place so far—that of other people's secrets... Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.
