In the tradition of *Upstairs, Downstairs* and *Downton Abbey*, *BY THE SEA* is a four-book series that sweeps from the Gilded Age through the Gatsby Era's Roaring Twenties and then on to the Great Depression, culminating nearly a century later in Newport, Rhode Island, wealthy and alluring "City by the Sea." Set against a backdrop of mansions, the glorious America's Cup Yacht Races, and new money, the series traces the passions and adventures of three families from three different classes. Book One: *TESS*. From the wild decadence of late nineteenth-century Newport comes the tale of Tess Moran, a beautiful Irish housemaid in one of the grand summer "cottages," who makes a dark bargain with a man of commanding wealth -- and falls in love in the bargain. Also available: Book Two: *AMANDA* Book Three: *LAURA* Book Four: *THE HEIRS* Reviews "A quality, original book. Antoinette Stockenberg has done her homework. The saga ... contains many of those little epiphanies, those moments of recognition. It is what makes, for example, Book One: *TESS* stand out from the rash of novels on class conflicts between Irish servants and their Yankee masters." --Providence Journal "A riveting saga/mystery. Ms. Stockenberg is a master of intrigue and romance ... she expertly leads readers through nearly a century of

drama in the elegant, fascinating, and thrilling world of yacht racing [culminating in] a compelling mystery. This novel will provide smooth sailing for summer reading." --Rave Reviews "The action moves along at a speed that makes it virtually impossible to put the book down. If I had had the time I could have read it non-stop, and I nearly did .... Here is a book to satisfy every sort of reader--those who crave fast action, Newport aficionados, and the romantics among us who love happy endings." -Newport This Week Magazine "Sizzling [and] entertaining reading. The well-researched novel uses real people and places--such as the Vanderbilts and Dennis Conner--as a backdrop to the unfolding drama. --Soundings Magazine PRE-ORDER NOW - READY PLAYER TWO: THE SEQUEL \_\_\_\_\_ THE BOOK BEHIND THE MAJOR MOTION PICTURE DIRECTED BY STEVEN SPIELBERG Now available for the first time in a beautiful hardback edition, perfect for hardcore fans and collectors A world at stake. A quest for the ultimate prize. Are you ready? It's the year 2044, and the real world has become an ugly place. We're out of oil. We've wrecked the climate. Famine, poverty, and disease are widespread. Like most of humanity, Wade Watts escapes this depressing reality by spending his waking hours jacked into the OASIS, a sprawling virtual utopia where you can be anything you want to be, where you can live and play and fall in love on any of ten thousand planets. And like most of humanity,

Wade is obsessed by the ultimate lottery ticket that lies concealed within this alternate reality: OASIS founder James Halliday, who dies with no heir, has promised that control of the OASIS - and his massive fortune - will go to the person who can solve the riddles he has left scattered throughout his creation. For years, millions have struggled fruitlessly to attain this prize, knowing only that the riddles are based in the culture of the late twentieth century. And then Wade stumbles onto the key to the first puzzle. Suddenly, he finds himself pitted against thousands of competitors in a desperate race to claim the ultimate prize, a chase that soon takes on terrifying real-world dimensions - and that will leave both Wade and his world profoundly changed.

protect his life? With so many doctrines in the Christian world today, finding the truth can be daunting. In this collection of personal meditations on several biblical doctrines, Lorne W.P. Vanderwoude seeks to reveal key themes shared by different doctrines, and in the process heal the church. He challenges readers to study the Bible for themselves and ask the Holy Spirit for direction, and reminds us that there is only one truth, one way, and one life—it comes through one person, Jesus Christ. Jesus can inspire people to grow their own faith rather than live the faith of others. One Way, One Truth, One Life invites readers of Christian and non-Christian faith who have the desire to join in the journey and hear the story of Christ. At age sixteen, James grew-up fast when his father died. He played baseball in high school and received a college scholarship. Concerned about his mother and brothers, he hoped his athletic talent would lead to a financially successful professional baseball career. Then, one day, while playing a pick-up football game, James was seriously injured and diagnosed a quadriplegic. He asked the doctor, "How bad is it?" The doctor responded, "Bad enough. You'll never walk again and possibly not move from the neck down." Thankfully, God placed James within a family that didn't accept such advice. After years of hard work, fortitude, and perseverance, he was able to return to college. After completing his bachelor's degree, it took him three years to land a teaching contract. Prospective employers saw the wheelchair not

the applicant. As an educator, James received teaching and coaching awards. Confident, he decided to return to college. After completing his doctoral degree in May 2011, James became a motivational speaker encouraging other people to triumph over tragedies. He knows all of this would not have been possible without God in his life, his family's support, and his personal values - the desire to succeed in life and overcome adversities. The 5th Academy: There is the simple story about magic, friendship, love, adventures of mortals and immortals. One hidden magic word, five powerful mystic families or clans, one magic Academy of the five nature elements, three strong heroes and lots of orcs, elves, centaurs... and yes! Demons, jinnees and sorcerers! There are lots of stories about love on the Earth, but each time there is something new to be added. I for one am not going to add another spiraling plot line. Now, let's take an immortal story like Romeo and Juliette, change their names and put the main characters in the present time. Let's make their two families, who hate each other, not only

powerful and rich, but also immortal and magic. Then send our young lovers to an Academy, but not a common, usual University for mortal students, it should be something dangerous, magical and complicated. Something between death and life. And there, finally, let's test their love with jealousy, danger, distance, fire, and water. Maybe -why not- death... Let's watch, how their feelings for one another grow stronger and become insatiable... The book's recipe: 35% MAGIC SCHOOL 30% TEENAGE LOVE 25% CUNNING VILLAIN 10% PLOTS and DANGER The author of this little story is a BIG FAN of "Hunger Games" by Susan Collins, "The Ender's game" by Orson Scott Card, "Divergent" by Veronica Roth and, of course, "Harry Potter" by J. Here we are. And we are living. Isn't that amazing? How we manage to be here at all. Grace and Tippi don't like being stared and sneered at, but they're used to it. They're conjoined twins - united in blood and bone. What they want is to be looked at in turn, like they truly are two people. They want real friends. And what about love? But a heart-wrenching decision lies ahead for Tippi and

Grace. One that could change their lives more than they ever asked for ... This moving and beautifully crafted novel about identity, sisterhood and love ultimately asks one question: what does it mean to want and have a soulmate? It seemed like such a small difference. So harmless. . . Tabitha Moon possesses an astonishing, though inhuman, feature that sets her far apart from everyone else. Yet, whilst truly remarkable to look upon, she feels that her appearance is also the wellspring of her loneliness; a burden that only ever seems to attract stares, cruel words, intimidation and even harm... So Tabitha hides and dreams of release from her torment, completely unaware that she has an ancient ancestry founded far from the unhappy place she grudgingly calls "home." Nor is she aware that the mysterious lineage is not only responsible for how she looks but also for an incredibly powerful gift she has unknowingly inherited from them. Then, one night, without warning, everything changes... Ignited by a particularly violent and cowardly attack upon her, Tabitha's latent, arcane power erupts into life from deep within - and with it a bizarre, yet wondrous, entity also awakens... There is life in the desert! And a Small One a Strong Nation is a compilation of messages given by the inspiration of God and arranged by Dana Taylor to inspire the small one, the lack, the poverty, the dark, the hated and the envied. It will also lift up the confused, angered, afflicted, despised, forsaken, violent, wasted, and

mourning. Topics to explain this unique method include: • Unction to Survive • Using Your Rut Cry • The Apple of Worth • The Power of No • A Personalized Purpose For every negative event that has transpired in your life, something positive is going to counteract that. . Along with preliminary chapters discussing the essay in the context of Woolf's own history and how it was received by critics, Rosenman devotes a fascinating chapter to the importance of the very new and few women's colleges in England at the time Woolf wrote A Room of One's Own, which derived from speeches she gave at the two women's colleges in Oxford a year before. It's time to make Serena his wife! When one

All that exists are phenomenal selves, as they appear in conscious experience. The phenomenal self, however, is not a thing but an ongoing process; it is the content of a "transparent self-model." In *Being No One*, Metzinger, a German philosopher, draws strongly on neuroscientific research to present a representationalist and functional analysis of what a consciously experienced first-person perspective actually is. Building a bridge between the humanities and the empirical sciences of the mind, he develops new conceptual toolkits and metaphors; uses case studies of unusual states of mind such as agnosia, neglect, blindsight, and hallucinations; and offers new sets of multilevel constraints for the concept of consciousness. Metzinger's central question is: How exactly does strong, consciously experienced subjectivity emerge out of objective events in the natural world? His epistemic goal is to determine whether conscious experience, in particular the experience of being someone that results from the emergence of a phenomenal self, can be analyzed on subpersonal levels of description. He also asks if and how our Cartesian intuitions that subjective experiences as such can never be reductively explained are themselves ultimately rooted in the deeper representational structure of our conscious minds. "Rumi, known in Iran and Central Asia

as Mowlana Jalaloddin Balkhi, was born in 1207 in the province of Balkh, now the border region between Afghanistan and Tajikistan. Rumi expressed a new vision of reality in volumes of mystical poetry. His enormous collection of lyrical poetry is considered one of the best that has ever been produced, while his poem in rhyming couplets, the *Masnavi*, is so revered as the most consummate expression of Sufi mysticism that it is commonly referred to as 'the Koran in Persian'."--BOOK JACKET. From #1 bestselling author Isla Dean comes the third novella in the One Night Collection, *ONE SPRING NIGHT*. Mystery writer, Kara Keaton, moved to small town Stonebridge to start her life over after her husband's death. Between writing, renovating the hundred-year-old home she purchased, and trying to figure out how to keep the plants in her greenhouse alive, she stays busy. But not so busy that she doesn't enjoy her daily visits to the Plumber's Pub where the cheer of the town rings long and loud. And it certainly isn't a hardship to watch the stoic and sexy Ben Roberts behind the bar. The steadiest of the siblings, Ben's love and pride in being part of his family's pub is palpable. He's a straight-shooter--when it's important--with a strong stature and golden eyes that show darker hints of what runs deep within him. And from the day he meets the mysterious Kara, he's a man who knows what he wants. He just hasn't found a way into her world. Yet. With a spring storm barreling through the quaint New England town, Kara

begins to let down her guard, and starts to understand that her heart truly is ready to love again.
