Includes stat boxes for quick comparison and easy reference. The book contains essays from around the world addressing how globalization and offshoring have affected employment structure and job creation in both developing and developed countries. The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership and many other personal finance topics. From

planning retirement to refinancing a mortgage, from saving on taxes to saving for college, this no-nonsense guide compiles Money magazine's best financial advice of the year into one handy volume. Worksheets, tables, and helpful illustrations make the book a financial planner that works as a partner.

In the very beginning, the automotive industry was dominated by open-top vehicles whose body shapes were very much based on the horse-drawn carriage, there were open and closed carriages and then there was the Coupe. These were developed from the type of carriage known as the Berlin coach, which was designed as a classic vehicle for individual luxury travel and prestige. This type of carriage offered an intimate atmosphere focused exclusively on the passengers; it did not even have space for luggage, it simply exuded style, elegance and luxury in every way. This first volume of the Mercedes-Benz Coupe book addresses the journey from what was a functional sports car design to what has become the incomparable Mercedes-Benz 'Sports Coupe'; its timeless body design has remained, even today both a dream car and a dream Coupe to anyone whom aspires to follow in the footsteps of the early individualists who chose style and elegance over practicality. With over 300 photographs and illustrations, this book includes: an overview of the early days of 'Sports-Car' design; the influences of aerodynamics on design evolution; early protagonists at Daimler-Benz and how they influenced design of the Coupe shape; how the Racing Coupe influenced what became the production Sport Coupe; the experimental and one-off prototypes, and finally the continuation of the Super Sport Light concept through the 'S-Class' range. The most

trustworthy source of information available today on savings and investments, taxes, money management, home ownership and many other personal finance topics. It pays to know what you're buying before you drive it off the dealer's lot. The experts at Consumer Guide provide specifications and price lists for 160 passenger cars, 4-wheel drive vehicles and minivans, plus information on optional and standard equipment, EPA fuel estimates, and more. The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership and many other personal finance topics. The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership and many other personal finance topics.
