This volume offers teachers a treasury of ideas for bringing history alive in grades 5-12, carrying students far beyond their textbooks on active-learning voyages into the past while still meeting required learning content. It also incorporates the History Thinking Skills from the revised National History Standards as well as annotated lists of general and era-specific resources that will help teachers enrich their classes with CD-ROMs, audio-visual material, primary sources, art and music, and various print materials. Grades 5-12 Help your child succeed on the Texas statewide assessments with the premiere resource used by parents and teachers! With Practice More for the TAKS [grade 10, social studies], you will strengthen your understanding of key concepts needed to succeed on the TAKS exam, studying just the subject matter you need help with. You'll gain confidence by practicing and exercising the skills learned in class, whether at home or school, alone or with friends and family to help. In Practice More for the TAKS [grade 10, social studies] students will understand the core test objectives of the Social Studies portion of the exam by:

- . Demonstrating an understanding of issues and events in U.S. History
- . Demonstrating an understanding of geographic influences on historical issues and events
- . Demonstrating an understanding of economic and social influences on historical issues and events
- . Demonstrating an understanding of political influences on historical issues and events
- . Using critical-thinking skills to analyze social studies information

The Core Skills Social Studies series engages students with easy-to-understand passages that help students build a better understanding of the world around them. Interactive lessons encourage active participation with the text, including practice with maps, charts, and illustrations. Students are given many opportunities to reflect on the text through higher-level thinking questions. Social studies focuses on developing knowledge and skill in history, geography, culture, economics, civics, and government. Core Skills Social Studies addresses these areas of study and correlates with social

studies curriculum throughout the United States. Part of the History-social science series created to follow the California standards and framework, providing stories of the important people, places, geography, and events which shaped the state of California and the country.
