**approach to the
service standard
and service
manual** Mar 28
2023 web 19 nov
2020 the standard
describes the things
teams delivering
public services
need to be able to
do or have achieved
before they get

their service
launched on gov uk
it is used to check
whether a service is
good enough for
public use its
companion the
service manual
describes how to do
the things required
by the standard
