FROGS ARE COOL Cute Frog Notebook Dec 29 2019

Cute frog theme notebook perfect for girls, boys, kids, parents, frog & toad pet owners, all who love writing, frogs & toads! This fun lined notepad for frog lovers is perfect for note taking in class; also great as a homework tracker for school, documenting summer vacation shenanigans, to track and record daily thoughts, dreams & experiences, as a planner, travel log, gratitude journal, to-do list checklist, sketches, drawings, doodles & more! Easy gift idea for all who love frogs, animals, nature. Perfect for students in elementary, middle, high school for a birthday, Christmas present, Easter basket stuffer. Great option as a frog theme birthday party favor notepad for a kid gift bag. Keep close to hand in a book bag or purse; having a convenient personal notebook is a simple way to encourage kids to develop strong writing skills and to unleash their inner creativity! Also great for moms & dads who need a simple logbook for notes, appointments, medication tracking, etc. Measures 8" x 10", 100 pages/50 sheets, wide ruled, square bound, 1 subject. Click the link above to Frog Hop Press for more options in the Cute Frog Notebooks series and for more kids & adult notebooks, pocket journals, gratitude journals, travel notebook diaries, daily planners & calendars, composition books, sketch books, doodle books, to-do lists, diary books, diaries, music sheets, song writing notebook journals, recipe trackers, graph paper & more. *** Thanks for checking out our books! ***

The Frogs and Other Plays Jun 26 2022 Aristophanes, often referred to as "The Father of Comedy", is an ancient Greek poet and playwright who is credited with helping to create

the art of satire and irony. Of the over forty plays Aristophanes wrote during his lifetime only eleven survive to this day of which five are collected together here in this volume. "The Wasps" is a play which satirizes the Athenian general Cleon, a popular contemporary demagogue, and the Athenian courts which empower him. "The Thesmophoriazusae" depicts a gathering of women at an annual festival as they plan to enact their revenge upon Euripides for his unflattering depiction of their sex. "The Frogs" relates the journey of the god Dionysus to the underworld, who wishes to improve the state of Athenian tragedy by bringing Euripides back from the dead. In "The Clouds" we find a lampoon of contemporary Athenian intellectuals, most notably Socrates. Lastly in "Plutus", Aristophanes employs the god of wealth, Plutus, to satirize the political economics of Athenian society. This edition follows the prose translations of The Athenian Society and is printed on premium acid-free paper.

Frogs and Other Plays Apr 12 2021 This vibrant collection of verse translations of Aristophanes' works- featuring Clouds, Women at the Thesmophoria (or Thesmophoriazusae), and Frogs- combines historical accuracy with a sensitive attempt to capture the rich dramatic and literary qualities of Aristophanic comedy. Including expansive introductions to each play, as well as detailed explanatory notes and an illuminating appendix, this volume presents fresh interpretations of three key works from one of the most original playwrights in the entire Western tradition.

The Frog Prince May 02 2020

The Frogs of Aristophanes May 14 2021 "High thoughts

must have high language."THE FROGS was produced the year after the death of Euripides, and laments the decay of Greek tragedy which Aristophanes attributed to that writer. It is an admirable example of the brilliance of his style, and of that mingling of wit and poetry with rollicking humor and keen satirical point which is his chief characteristic. Aristophanes, the greatest of comic writers in Greek and in the opinion of many, in any language, is the only one of the Attic comedians any of whose works has survived in complete form He was born in Athens about the middle of the fifth century B C, and had his first comedy produced when he was so young that his name was withheld on account of his youth. He is credited with over forty plays, eleven of which survive, along with the names and fragments of some twenty-six others. His satire deal with political, religious, and literary topics, and with all its humor and fancy is evidently the outcome of profound conviction and a genuine patriotism. The Attic comedy was produced at the festivals of Dionysus, which were marked by great license, and to this, rather than to the individual taste of the poet, must be ascribed the undoubted coarseness of many of the jests. Aristophanes seems, indeed, to have been regarded by his contemporaries as a man of noble character. He died shortly after the production of his "Plutus," in 388 B. C."The Frogs" was produced the year after the death of Euripides, and laments the decay of Greek tragedy which Aristophanes attributed to that writer. It is an admirable example of the brilliance of his style, and of that mingling of wit and poetry with rollicking humor and keen satirical point which is his chief characteristic. Here, as elsewhere, he stands for

tradition against innovation of all kinds, whether in politics, religion, or art. The hostility to Euripides displayed here and in several other plays, like his attacks on Socrates, is a result of this attitude of conservatism. The present play is notable also as a piece of elaborate if not over-serious literary criticism from the pen of a great poet.

The Frog Prince. A Play for Children in One Act Mar 31 2020

Four Plays by Aristophanes Mar 12 2021 Classic Greek plays offer a caricature of Socrates, a flawed utopia, a clever plan to gain peace, and a debate between deceased playwrights

The Frog Mar 24 2022

Benny the Frog's Leap of Faith Dec 09 2020 It is about a little tree frog, who wishes to be like all the other frogs he see's everyday, playing down by a lily pond. He wishes that he could jump from lily pad to lily pad. The problem with Benny is he can never make a decision on anything he wants to do. He has no confidence in himself. Will he sit day after day watching all the other frogs play, or will he make that decision to join the other frogs? You will have to read the story to find out. out ily pond with beautiful pink flowers on them. The only thing that keeps him from doing this, is he has no confidence in himself. Only time will tell what happens if and when he makes that decision.

Play Hide & Seek with Frog Oct 31 2022 On each spread of this delightful book there's an animal hiding, which you can find by lifting the big flap. Charmingly illustrated by Gareth Lucas, this is a perfect way to make little children smile as they enjoy playing hide and seek with all the different animals around the pond.

Under the Frog Nov 07 2020 Set in post-war Hungary between 1944 and 1956, the story follows the lives of two young men and in particular their careers in a travelling

basketball team. They spend most of their time in the avoidance of work and army service and in the pursuit of sex.

The Frog Prince Aug 05 2020

The Frogs May 26 2022 Aristophanes son of Philippus, of the deme Cydathenaus, was a comic playwright of ancient Athens. Eleven of his 40 plays survive virtually complete. These, together with fragments of some of his other plays, provide the only real examples of a genre of comic drama known as Old Comedy, and they are used to define the genre. Also known as the Father of Comedy and the Prince of Ancient Comedy, Aristophanes has been said to recreate the life of ancient Athens more convincingly than any other author. His powers of ridicule were feared and acknowledged by influential contemporaries; Plato singled out Aristophanes' play *The Clouds* as slander contributing to the trial and execution of Socrates although other satirical playwrights had also caricatured the philosopher. His second play, *The Babylonians* (now lost), was denounced by the demagogue Cleon as a slander against the Athenian polis. It is possible that the case was argued in court but details of the trial are not recorded and Aristophanes caricatured Cleon mercilessly in his subsequent plays, especially *The Knights*, the first of many plays that he directed himself. "In my opinion," he says through the Chorus in that play, "the author-director of comedies has the hardest job of all." - wikipedia

Who Let the Frogs Out Frog Lover Notebook Feb 08 2021

Cute frog theme notebook perfect for boys, girls, kids, parents, frog & toad pet owners, all who love writing, frogs & toads! This fun lined notepad for frog lovers is perfect for

note taking in class; also great as a homework tracker for school, documenting summer vacation shenanigans, to track and record daily thoughts, dreams & experiences, as a planner, travel log, gratitude journal, to-do list checklist, sketches, drawings, doodles & more! Bug Club Early Fiction Play (Yellow) Jan 10 2021 It is so hot. Tiddalik the frog drinks all the water. The animals must have water. Wombat has a plan. This title is a Creation Story Tale.

The Frogs Jul 16 2021 "Disgusted with the state of current entertainment, Dionysus, God of Wine and Poetry, decides that it's time to retrieve Shakespeare from the underworld. Surely if the Bard were given a series on HBO, he'd be able

to raise the level of discourse! Accompanied by his trusted servant, Xanthias (the brains of the operation), Dionysus seeks help from Hercules and Charon the Boatman.

Unfortunately, his plan to rescue Shakespeare goes horribly awry, as he's captured by a chorus of reality-television-loving demon frogs. The frogs put the god on trial and threaten him with never-ending torment unless he brings more reality shows into the world. It won't be easy for Dionysus to survive, and, even if he does get past the frogs, Jane Austen isn't ready to let Shakespeare escape without a fight. Adapted from Aristophanes' classic satire, *The Frogs* is a hilarious and scathing look at highbrow and lowbrow art."--

The Princess and the Frog: A Readers' Theater Script and Guide Jul 28 2022 The show must go on! *The Princess and the Frog* is a fractured fairy tale based on the story of the princess and the frog. When the princess loses her ball in the well, a helpful frog is willing to get it for her?for a price! But the kiss doesn't cause the traditional transformation. This book provides information on putting on a production?including tips on sets, props, and costumes. An easy-to-follow script with color coding for character cues is ideal for readers' theater, puppet shows, or class plays.

Teachers can download a free guide with additional tips and reading level information for each character on our Web site. Bring a fun, interactive way to practice fluency and public speaking to your library! Aligned to Common Core Standards and correlated to state standards. Looking Glass Library is an imprint of Magic Wagon, a division of ABDO Group. Grades PreK-4.

The Frogs of Aristophanes Aug 29 2022

The Battle Between the Frogs and the Mice Jan 28 2020 "A virtuosic, witty, charming translation of the greatest epic ever written about mice, with wonderful illustrations by Grant Silverstein. Stallings' elegant rhyming couplets are the perfect choice to honor the mousy Muse."—Emily Wilson, Professor of Classics, University of Pennsylvania From the award-winning poet and translator A. E. Stallings comes a lively new edition of the ancient Greek fable *The Battle between the Frogs and the Mice*. Originally attributed to Homer, but now thought to have been composed centuries later by an unknown author, *The Battle* is the tale of a mouse

named Crumbsnatcher who is killed by the careless frog King Pufferthroat, sparking a war between the two species. This dark but delightful parable about the foolishness of war is illustrated throughout in striking drawings by Grant Silverstein. The clever introduction is written from the point of view of a mouse who argues that perhaps the unknown author of the fable is not a human after all: "Who better than a mouse, then, to compose our diminutive, though not ridiculous, epic, a mouse born and bred in a library, living off lamp oil, ink, and the occasional nibble of a papyrus, constantly perched on the shoulder of some scholar or scholiast of Homer, perhaps occasionally whispering in his ear? Mouse, we may remember, is only one letter away from Muse." "[Stallings] couplets . . . have a lively, nimble music that should captivate modern ears . . . Providing an earthy, oboe-like obligato to Ms. Stallings's airs are the illustrations of Grant Silverstein, cross-hatched sketches that multiply like mice on the page . . . The Battle, in which beans are happily worn rather than eaten, still has the power to delight."—Wall Street Journal

A. E. Stallings is an American poet who has lived in Athens, Greece since 1999. She studied Classics at the University of Georgia, and later at Oxford University. She has published four collections of poetry, *Archaic Smile* (which won the 1999 Richard Wilbur Award), *Hapax* (recipient of the Poets' Prize), *Olives* (a finalist for the National Book Critics Circle Award), and *Like* (a finalist for the Pulitzer Prize in Poetry). Her translation of Lucretius (into rhyming fourteeners), *The Nature of Things*, was called by Peter Stothard in the TLS "One of the most extraordinary classical translations of recent times." Grant Silverstein is an

American artist who specializes in etchings of a narrative character and in studies of figures, landscapes, and animals. With his wife and two cats, he spends winters holed up in his studio in rural Pennsylvania, where he uses a catch and release system for visiting mice and the occasional frog. Come spring, he ventures forth to display his work at outdoor festivals; he feels fortunate to have made his living this way for forty years. He has illustrated two previous Paul Dry Books titles, *Davey McGravy* by David Mason and *The Verb 'To Bird'* by Peter Cashwell.

Frogs and Other Plays May 06 2023 The master of ancient Greek comic drama, Aristophanes combined slapstick, humour and cheerful vulgarity with acute political observations. In *The Frogs*, written during the Peloponnesian War, Dionysus descends to the Underworld to bring back a poet who can help Athens in its darkest hour, and stages a great debate to help him decide between the traditional wisdom of Aeschylus and the brilliant modernity of Euripides. The clash of generations and values is also the object of Aristophanes' satire in *The Wasps*, in which an old-fashioned father and his loose-living son come to blows and end up in court. And in *The Poet and the Women*, Euripides, accused of misogyny, persuades a relative to infiltrate an all-women festival to find out whether revenge is being plotted against him.

The Frogs Dec 01 2022 *The Frogs* is a comedy written by the Ancient Greek playwright Aristophanes. *The Frogs* tells the story of the god Dionysus, despairing of the state of Athens' tragedians, and allegedly recovering from the disastrous Battle of Arginusae. He travels to Hades to bring Euripides

back from the dead. He brings along his slave Xanthias, who is smarter, stronger, more rational, more prudent, and braver than Dionysus. The play opens as Xanthias and Dionysus argue over what kind of complaints Xanthias can use to open the play comically. To find a reliable path to Tartarus, Dionysus seeks advice from his half-brother Heracles who had been there before in order to retrieve the hell hound Cerberus. At the question of which road is quickest to get to Hades, Heracles replies with the options of hanging yourself, drinking poison, or jumping off a tower. Dionysus opts for the longer journey across a lake.

The Frogs Dec 21 2021 *The Frogs* tells the story of the god Dionysus, despairing of the state of Athens' tragedians, and allegedly recovering from the disastrous Battle of Arginusae. He travels to Hades to bring Euripides back from the dead. He brings along his slave Xanthias, who is smarter, stronger, more rational, more prudent, and braver than Dionysus.

Eat That Frog! Oct 07 2020 **NEW EDITION, REVISED AND UPDATED** The legendary *Eat That Frog!* (more than 1.5 million copies sold worldwide and translated into 42 languages) will change your life. There just isn't enough time for everything on our "To Do" list—and there never will be. Successful people don't try to do everything. They learn to focus on the most important tasks and make sure they get done. There's an old saying that if the first thing you do each morning is to eat a live frog, you'll have the satisfaction of knowing that it's probably the worst thing you'll do all day. Using “eat that frog” as a metaphor for tackling the most challenging task of your day—the one you are most likely to procrastinate on, but also probably the one that can have the

greatest positive impact on your life—Eat That Frog! shows you how to zero in on these critical tasks and organize your day. You'll not only get more done faster, but get the right things done. Bestselling author Brian Tracy cuts to the core of what is vital to effective time management: decision, discipline, and determination. In this fully revised and updated second edition, he provides brand new information on how to keep technology from dominating your time. He details twenty-one practical and doable steps that will help you stop procrastinating and get more of the important tasks done—today!

A Literal Translation of Aristophanes The Frogs Aug 17
2021

Frogs Mar 04 2023 This is an English translation of Aristophanes' popular comedy in which the god Dionysus seeks to bring the great dramatist Euripides from Hades, where he encounters another great Classical playwright, Aeschylus. Includes background material on the historical and cultural context of this work, suggestions for further

reading, and notes. The Focus Classical Library provides close translations with notes and essays to provide access to understanding Greek culture and the roots of contemporary thought.

Play Hide and Seek with Frog Sep 17 2021 On each spread of this delightful book there's an animal hiding, which you can find by lifting the big flap. Charmingly illustrated by Gareth Lucas, this is a perfect way to make little children smile as they enjoy playing hide and seek with all the different animals around the pond. Big flaps that are ideal for little fingers to lift. Holes in the flaps create extra fun, as you can peep through and try to spot who's hiding. With a double flap at the end, which you open out twice to reveal the frog.

Four Plays of Aristophanes Jan 02 2023

The Frogs Apr 05 2023 One of the funniest - and most biting -satiric accounts of literary pretensions ever. As pertinent now as for the audiences of fifth century B C. Q

Flora the Frog Nov 19 2021 Flora is asked to be a frog in the class play, but she is dismayed. Frogs are green and fat, and she is afraid that everyone will laugh at her. When Flora's mother and Aunt Jo make a frog costume for her, Flora promptly throws it up into a tree. To make matters worse, she later lies to her mother that all her friends at school liked the costume. But Flora makes a remarkable discovery after angrily throwing her ball over the backyard fence, where it lands next to a pond with three frogs jumping and sparkling with water drops. Slowly she realizes that being a frog in the play may not be so bad after all. Author Shirley Isherwood shows young readers that a little imagination can make anything—even a fat, green

frog—special and fun. Illustrator Anna C. Leplar's joyous watercolors bring the appealing characters to life in this hilarious, relatable tale about honesty and big feelings.

Four Plays by Aristophanes Sep 29 2022 The acknowledged master of Greek comedy, Aristophanes brilliantly combines serious political satire with bawdiness, pyrotechnical bombast with delicate lyrics. "Four Plays by Aristophanes" features his four most celebrated masterpieces: **THE CLOUDS**, **THE BIRDS**, **LYSISTRATA**, and **THE FROGS**. This edition features wonderful translations of "The Clouds", "The Birds", "Lysistrata", and "The Frogs". The humor and satire is well-managed within the translation, particularly within (my favorite) "Lysistrata". The bantering dialogue within the play is hilarious from the exhortations of the women to their fellow sisters to abstain from sex with their men (regardless of their own strong, womanly desires) to the tongue-in-cheek dialogue between a teasing wife and her impatient husband, to the final division of land to be 'presented' in the form of a nude lady acting as a visual aid. "The Four Plays by Aristophanes" includes **THE CLOUDS**. The most controversial of Aristophanes' plays, it is a brilliant caricature of the philosopher Socrates, seen as a wily sophist who teaches men to cheat through cunning argument. **THE BIRDS**: This portrayal of a flawed utopia called Cloudcuckooland is an enchanting escape into the world of free-flying fantasy that explores the eternal dilemmas of man on earth. **LYSISTRATA**: In the twenty-first year of the Peloponnesian War, the women of Athens and Sparta, tired of the incessant fighting between their men, resolve to withhold sex from their husbands until peace is

settled. **THE FROGS**: Visiting the underworld, the god Dionysus seeks the counsel of the dead tragedians Aeschylus and Euripides on how to bring good writing back to Athens. A fierce debate - full of scathing insults and literary satire - ensues between the two dramatists.

Sitting Still Like a Frog Jul 04 2020 This introduction to mindfulness meditation for children and their parents includes practices that can help children calm down, become more focused, fall asleep more easily, alleviate worry, manage anger, and generally become more patient and aware.

The Frogs Apr 24 2022

Aristophanes' Frogs Oct 19 2021 This volume presents the Greek text of Aristophanes' Frogs, as edited by F. W. Hall and W. M. Geldart, with a parallel verse translation by Ian Johnston on facing pages, which will be useful to those wishing to read the English translation while referring to the Greek original, or vice versa.
