[The Pleasure Principle](#) Aug 16 2021 Jon Loomis's new collection of poems visits big subjects by way of the commonplace. While The Pleasure Principle is full of surprises, both narrative and metaphoric, it is more than anything a humane and thoughtful exploration of the human condition: passion, mortality, cross-dressing, time, tourism, art, the shifty nature of reality, and, always considered in Loomis's work, the unknowable absolute.

The Principles and Progress of English Poetry Oct 18 2021

Princ Literary Criticism Jul 27 2022 First Published in 2001. Routledge is an imprint of Taylor & Francis, an informa company.

The Volatile Principle Feb 07 2021 The poems are remarkable in their immediacy and powerful imaginative power. No doubt, these poems reveal 'incantatory murmur and inspired bursts'. The poems reveal the depths of human nature. These poems are full of a sweet and majestic rhythm, which satisfies the sense.

The Principle Agent Aug 04 2020 "Suzor seems to channel Sappho in her lean modern-day poems, a narrative made up of fragments that expose a razor-sharp intelligence, an unnerving sophistication, an echo of the poet Anne Carson."--Elaine SextonThe winner of the Hudson Prize, 'The Principle Agent' is a book of poetry that combines a fragmented love story with the concept of unblameable circumstance. At the forefront of this collection is the obvious narrative; however, by exploring "definitions" and "meaning" through altered repetitions, this book becomes a maze of language.

The As If Principle Apr 23 2022 When you act 'as if' you are foretelling your fate, your future is already known. Act as if it is possible, and the seeds of fulfillment are sown. (from the poem "Act as If..." by Jerald M. Simon) The 'As If' Principle (motivational poetry) by Jerald M. Simon features 222 original motivational poems written by Jerald to inspire and motivate men and women, businesses and organizations, leaders/mentors/advisers and teachers and students. The poems were written to teach values, bring out the best in people, and encourage everyone everywhere to be and do their best. The poems were written over a 20 year period (1993 - 2012) and contain motivational advice about never giving up, doing what it takes, believing in yourself and your abilities and believing in others - in the best that others can do - in their dreams, aspirations, goals, plans, purpose, and possibility. The poems focus on such topics as: Believing, Honor, Courage, Success, Strength, Will Power, Leadership, Possibility, Confidence, Goals and Goal Setting, Optimism, Rising Above Mediocrity, Character and Heart, Never Doubting Yourself, Being Productive, Thinking and Knowing You Can, Learning from Adversity, Doing What It Takes and What Must Be Done, Smiling and Being Happy, Seeing the Good In Others, Forgiving, Seeing Our Own Potential and the Potential of Others, Learning Life Lessons, Righting the Wrong, Being a Self Starter, Learning to Control Our Words, and many more. Here is the first poem from the book "The 'As If' Principle": Act as If... by Jerald M. Simon Copyright © 2010 by Jerald M. Simon All Rights Reserved Act as if you are confident - even if you are not. Confidence, you will find, is a state of mind, the fulfillment of attitude evolving with time. True confidence is a trait of character, not a boastful or prideful talk. Always act with sincere humility, then with true confidence you will walk. Act as if you are affluent, even when you're the beggar in need. Wealth you will find, will often leave you behind, if it's attainment will make you unkind. True wealth is not measured with money, but with love, and knowledge and health. Act as if you're least of all men, and then you shall find true wealth. Act as if you are noble, even if your nobility's numb. Act as if you are a servant, even if your own kingdom has come. When you act 'as if' you are foretelling your fate, your future is already known. Act as if it is possible, and the seeds of fulfillment are sown. Copyright © 2010 by Jerald M. English Poetry and Its Contribution to the Knowledge of a Creative Principle May 13 2021 Excerpt from English Poetry and Its Contribution to the Knowledge of a Creative Principle: With a Preface I have always remembered a distinction drawn by R. G. Collingwood at the beginning of *The Principles of Art*. He contrasts two types of theorist in the field of aesthetics: the 'philosopher aesthetician' and the 'artist-aesthetician', and draws attention to the different types of error to which they are exposed. If I advert here to these two kinds of theorist, it is because Signor Vivante seems to me to escape the mistakes of both, and because the distinction may help me to elucidate his particular merit. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

English Poetry of the Eighteenth Century, 1700-1789 Dec 28 2019 In recent years the canon of eighteenth-century poetry has greatly expanded to include women poets, labouring-class and provincial poets, and many previously unheard voices. Fairer's book takes up the challenge this ought to pose to our traditional understanding of the subject. This book seeks to question some of the structures, categories, and labels that have given the age its reassuring shape in literary history. In doing so Fairer offers a fresh and detailed look at a wide range of material.

Principles of Poetry Sep 04 2020 This work comprises the first complete English translation of Shi no Genri, one of the most important attempts at a theory of literature written in the modern period. Hagiwara Sakutarō (1886-1942) was not only an original poet but also a perceptive and lonely literary critic. This book, in his own words, is not a collection of fragmentary writings, but a thoroughly systematic and organized discourse on poetry and other related arts. He sees the future of Japanese poetry as being tied to the characteristics of Japanese language, and even to the destiny of Japan.

Poetic Principles and Practice Jun 25 2022 The central theme here is the constant confrontation of theory and practice in the work of Baudelaire, Mallarmé and Valéry.

Between Matter and Principle; Poems Nov 30 2022 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. A Warrior and a Poet Feb 19 2022 A manuscript about short quotes of principles and poems to guide and inspire in life: While deploying with them to various locations, I learned that not all wounds are visible, and sometimes you need someone to hear or speak to you. So I started this as a way to keep my marines up through inspirational words of poems and imagery. I learned that a warrior could be a poet, and a poet could be a warrior, but the key was understanding not to hide from one but to embrace both was the key to keeping my marines going. So I thought it best to put this out there. I hope it finds that person who can benefit from embracing the world or its experiences that come from both.
