Loose Leaf for Focus on Personal Finance Jul 06 2021 Focus on Personal Finance is a brief, 14-chapter book, covering the critical topics in Personal Finance courses. This 4-color, paperback text is designed and written to appeal to a range of ages, life situations, and levels of financial literacy. A unique aspect of this text is its active approach. This text will not only get your students thinking about their current situation and financial goals, but also to put these in writing to use as a guide and

revise over the course of their lives. The more a student involves themselves in the assessments, exercises and worksheets provided, the more they will discover about their current habits and how to improve them for greater financial freedom. Students have many different financial goals, but none are more important than having a basic understanding of financial issues and peace of mind with regard to their decisions. The ultimate goal of Focus on Personal Finance is to get students to this point as a first step to achieving the many financial goals they have set for themselves. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.

Loose Leaf for Focus on Personal Finance May 16 2022 Focus on Personal Finance is a brief, 14-chapter text covering the critical topics in Personal Finance courses. Focus is designed and written to appeal to a range of ages, life situations, and financial literacy levels. As the Kapoor author team prepared this edition, they worked hard to include important content in every chapter you can use to develop a plan to build financial security and weather another pandemic, an unexpected job loss, or unexpected life situations. A unique aspect of this text is its active approach. This text will get your students thinking about their current situation and financial goals and encourage them to put these in writing to use as a guide and revise throughout their lives. Sections are oriented around specific action-items for students. The more a student involves themselves in the assessments, exercises, and worksheets provided, the more they will discover about their current habits and how to improve them for greater financial freedom. Students have many different financial goals, but none are more important than having a basic understanding of financial issues and peace of mind about their decisions. The ultimate goal of Focus on Personal Finance is to get students to this point as a first step to achieving the many financial goals they have set for themselves.
