The Storm Lord Trilogy Box Set (The Complete Series Books 1-3): An Epic Paranormal Romance "When it is time for two souls to meet, there's not one single thing on earth which can prevent them from getting together, no matter where each are located,

even if it comes in the form of a black panther that's 200 years old!" Book 1: The Flaming Blue Sword Angelica Thompson, an award-winning romance novelist, decides to end her turbulent relationship back home in Denver and heads to a secluded spot on the shores of Black Rock Cove in Oregon. Writer's block is preventing her from finishing her last novel in her paranormal romance series and is being pressured by her publisher, BeeBop Publishing, to finish by the end of the summer. She discovered the first night of her arrival how vividly her mind's thoughts and dreams came alive. Her imagination of a dead sea captain, a black panther pouncing on her for his evening meal, and falling to her death in a cove hundreds of feet below are only the beginning. Janie, a local real estate agent, awakens the young woman in her cottage. Was she awakened during a dream or... could it be real? Book 2: Nine Months Will Tell Continuation of the Storm Lord Trilogy in Chapter Two finds Angelica Thompson and Sheriff Kevin Connors expecting their first child. Her pregnancy comes as a surprise to her and Kevin because it is precisely nine months after their defeat of Ethan Knight in Chapter One of the Storm Lord Trilogy series. The question now that arises for the two love-birds is whether the Storm Lord lost his life in their final battle in the first of the series or did he, somehow, survive the epic encounter. Throughout the book, significant events taking place appear to threaten the life of Angel's first child. Is she too old, past the age of 39, to give birth? She wonders if it's just her age. Is there a problem with her child? Book 3: The Three Keys to Armageddon For this final chapter in the Storm Lord Trilogy Series, love must begin between a human and a supernatural being. This happens. The hero, the human character in this novel, is put into some kind of danger, where they come to realize they can overcome this danger either on their own or with the assistance of the supernatural love interest! Using the rich background of the spiritual world of Archangels Michael and his Sword of Angels and Gabriel with his trumpet of victory as the background, Sidney St. James' Storm Lord Trilogy Series pursues the return of Satan himself with a paranormal world of evil versus good filled with fascinating characters. The ever-moving series' sharp dialogue, highly original plotlines, and a stylistic flair are as rhythmic and vibrant as his earlier works. Through James' fertile imagination, these three novels in the series are provocative, confrontational, and contain highly ingenious twists and turn into the unexpected, but always with a healthy dose of humor, not to mention romance. Dragon-shifting Romance Qurilixen World Novels Dragon Lords 5-8 Box Set Includes: *His Highness the Duke* *The Stubborn Lord* *The Reluctant Lord* *The Impatient Lord* About the Series Books 5 – 8 The Noblemen dragon shifter brothers aren't new to the sacred Qurilixian bridal ceremony. After several failed attempts at finding a wife, it's hard to get excited about yet another festival. No matter how honorably they try to live, it would seem fate thinks them unworthy of such happiness... that is until now. With very few words spoken and the shortest, most bizarre courtship in history, these dragons will bond to their women forever. And once bonded, these men won't let go... Book 5: *His Highness the Duke* Aeron wants nothing more than to live out her very long, solitary life in a small metal room listening to communications for the Federation Military. It's not glamorous. It's not even charming. But it's safe and there's no chance of getting hurt. When she intercepts a communication about an impending attack on the Qurilixian people, she has no choice but to act. Dragon-shifter nobleman Lord Bron, is not looking forward to his seventh failed attempt at a marriage

ceremony. But when he sees the lovely Aeron he knows his years of waiting have finally paid off. Fate has blessed him with a life mate... Or have they? Book 6: The Stubborn Lord Kendall Haven's life turns upside down when she's taken from her fueling dock home by thugs. Her gambler father used her to cover his losses. Treated like cargo, she's sold to the highest bidder--an alien bride procurement agency. Dragon-shifter nobleman Lord Alek has not been lucky in finding his life mate. Resigned to a lonely life, he attends the bridal ceremony out of familial duty. Then the impossible happens--Kendall. Nothing goes according to tradition, but he can't let that dissuade him. She is this dragon noble's only chance at happiness and he's not going to let her get away. Book 7: The Reluctant Lord Lady Clara of the Redding, a living statue of perfection, has been raised a true Redde noblewoman. She has been taught to never show emotion, to never raise her voice, to touch as little as possible, and to never act wildly or rashly. After Clara denies all suitable males on her home world, her parents are left with one choice--send her to a primitive place where several alien noblemen await mates. The men hardly appear picky about their choices, and her parents think it a perfect arrangement for a reluctant bride. Dragon-shifter Lord Vladan is not like his noble brothers. Adopted into their family after a mining accident killed his parents, he is every bit as titled as his new brothers, and every bit as welcome into the fold. Yet he can't help but feel the pull of his commoner past. He loves his family, and will always do as duty demands, but a part of him still yearns to shift into dragon form and run free in the wild. It is a side he indulges every chance he gets. This is how he knows his bride will be the most wild of creatures, for he wants passion, not perfection. Surely the gods are mistaken when they bind him to the most refined, reserved, frustratingly perfect creature in the universe. Book 8: The Impatient Lord Riona Grey lives life on her own terms, traveling wherever the next spaceship is flying and doing what she must to get by. When her luck turns sour, she finds herself on a bridal ship heading to a marriage ceremony. A planet of primitive shifters seeking mates wasn't exactly what she had in mind as a final destination. Just when she thinks things couldn't possibly get worse, she wakes up months later in an isolation chamber with a sexy, hovering dragon shifter telling her they're meant to be together...forever.

J.R.R. Tolkien's manuscripts, *The Great Tales* features handsome color plates and maps by famed illustrator Alan Lee. *The Children of Húrin* was the first complete book by J.R.R. Tolkien since the 1977 publication of *The Silmarillion*. Six thousand years before the One Ring is destroyed, Middle-earth lies under the shadow of the Dark Lord Morgoth. The greatest warriors among elves and men have perished, and all is in darkness and despair. But a deadly new leader rises, Túrin, son of Húrin, and with his grim band of outlaws begins to turn the tide in the war for Middle-earth--awaiting the day he confronts his destiny and the deadly curse laid upon him. *Beren and Lúthien* was, or became, an essential element in the evolution of *The Silmarillion*, the myths and legends of the First Age of the World conceived by J.R.R. Tolkien. Essential to the story, and never changed, is the fate that shadowed the love of Beren and Lúthien: for Beren was a mortal man, but Lúthien was an immortal elf. Her father, a great elvish lord, in deep opposition to Beren, imposed on him an impossible task that he must perform before he might wed Lúthien. This is the kernel of the legend; and it leads to the supremely heroic attempt of Beren and Lúthien together to rob the greatest of all evil beings, Melkor, called Morgoth, the Black Enemy, of a Silmaril. *The Fall of Gondolin* completes the set and tells the story of the destruction of the legendary city of Gondolin at the hands of evil Morgoth in retaliation against Ulmo, the Lord of the Waters, who favors man. At core is the tale of Tuor, cousin of Túrin, his wife, Idril, daughter of Turgon, king of Gondolin, and their child, Eärendel, who became great in Gondolin, but had to flee the blazing wreckage of his home when Morgoth attacked. Each hardcover volume includes color plates and black and white maps by award-winning illustrator Alan Lee. *Battle Fearsome Beasts and Fight Evil with Tom and Elenna* in the bestselling adventure series for boys and girls aged 7 and up.
