El mito del emprendedor Mar 04 2023 La primera parte de este libro está destinada a desmontar los mitos que giran alrededor de la puesta en marcha de un negocio y a describir los innumerables aspectos comunes que comparten las distintas formas de gestionar una empresa. Luego el autor efectúa una revisión de las diferentes etapas por las que puede atravesar el negocio en cuestión --desde la infancia, que se inicia casi siempre con la iniciativa de un vendedor, hasta la perspectiva de la madurez, objetivo de cualquier empresa que pretenda perdurar, pasando por los problemas propios del desarrollo adolescente-- y muestra la forma idónea de aplicar las conclusiones a cualquier tipo de negocio. Finalmente, Gerber establece claramente la delimitación de fronteras entre lo que supone trabajar en un negocio propio o en uno ajeno. Esta nueva edición de uno de los libros de empresa más famosos de los últimos años, por supuesto corregida y aumentada, pretende ser, así, una guía para todos aquellos que contemplan el universo de los negocios como un compromiso sin fin, como una investigación permanente, como una obligación activa respecto a las distintas fuerzas que gobiernan el mundo, con nosotros y sin nosotros: un espejo en el que mirarnos para ver cómo somos, para ver lo que realmente somos y no sabemos, para contemplarnos honesta y directamente, para estar en condiciones de ser de verdad capaces de gestionar un negocio y conseguir que crezca de una forma productiva.

The Entrepreneurial State Sep 29 2022 'Superb ... At a time when government action of any kind is ideologically suspect, and entrepreneurship is unquestioningly lionized, the book's importance cannot be understated' Guardian According to conventional wisdom, innovation is best left to the dynamic entrepreneurs of the private sector, and government should get out of the way. But what if all this was wrong? What if, from Silicon Valley to medical breakthroughs, the public sector has been the boldest and most valuable risk-taker of all? 'A brilliant book' Martin Wolf, Financial Times 'One of the most incisive economic books in years' Jeff Madrick, New York Review of Books 'Mazzucato is right to argue that the state has played a central role in producing game-changing breakthroughs' Economist 'Read her book. It will challenge your thinking' Forbes

Zero to One Jun 14 2021 WHAT VALUABLE COMPANY IS NOBODY BUILDING? The next Bill Gates will not build an operating system. The next Larry Page or Sergey Brin won't make a search engine. If you are copying these guys, you aren't learning from them. It's easier to copy a model than to make something new: doing what we already know how to do takes the world from 1 to n, adding more of something familiar. Every new creation goes from 0 to 1. This book is about how to get there. ' Peter Thiel has built multiple breakthrough companies, and Zero to One shows how. ' ELON MUSK, CEO of SpaceX and Tesla ' This book delivers completely new and refreshing ideas on how to create value in the world. ' MARK ZUCKERBERG, CEO of Facebook ' When a risk taker writes a book, read it. In the case of Peter Thiel, read it twice. Or, to be safe, three times. This is a classic. ' NASSIM NICHOLAS TALEB, author of The Black Swan

The Four Steps to the Epiphany Mar 24 2022 The bestselling classic that launched 10,000 startups and new corporate ventures - The Four Steps to the Epiphany is one of the most influential and practical business books of all time. The Four Steps to the Epiphany launched

the Lean Startup approach to new ventures. It was the first book to offer that startups are not smaller versions of large companies and that new ventures are different than existing ones. Startups search for business models while existing companies execute them. The book offers the practical and proven four-step Customer Development process for search and offers insight into what makes some startups successful and leaves others selling off their furniture. Rather than blindly execute a plan, The Four Steps helps uncover flaws in product and business plans and correct them before they become costly. Rapid iteration, customer feedback, testing your assumptions are all explained in this book. Packed with concrete examples of what to do, how to do it and when to do it, the book will leave you with new skills to organize sales, marketing and your business for success. If your organization is starting a new venture, and you're thinking how to successfully organize sales, marketing and business development you need The Four Steps to the Epiphany. Essential reading for anyone starting something new. The Four Steps to the Epiphany was originally published by K&S Ranch Publishing Inc. and is now available from Wiley. The cover, design, and content are the same as the prior release and should not be considered a new or updated product.

Finanzas para Emprendedores Oct 31 2022 Las finanzas, al igual que otras ramas de la economía, son una ciencia. Por eso, muchos de los dilemas que enfrenta un emprendedor han sido estudiados, tal vez por años, por la comunidad científica. "Finanzas para emprendedores" es un libro que aterriza teorías financieras avanzadas, paso a paso y de una forma ordenada, para que el emprendedor pueda usarlas en sus negocios. Es un libro que pondrá a ganadores del premio Nobel como Harry Markowitz, William Sharpe o Franco Modigliani a trabajar para su empresa. Lo ayudará a formar criterios para enfrentar decisiones importantes, respondiendo por ejemplo: "por qué al momento de endeudarse usted necesita un asesor impositivo", "cómo puede reducir gratis el riesgo de sus inversiones", "de qué forma puede analizar sus proyecciones con un software de simulación, como Crystal Ball". "Finanzas para emprendedores" es un libro centrado en las ideas de la libertad. Entiende al emprendedor como una persona creativa, perspicaz, dinámica, dispuesta a aprender de sus errores. Cree en la acción humana, siguiendo a von Mises, como fuerza que interviene en la creación del futuro. Interpreta que economía no debería ser sinónimo de matemática. En definitiva, la matemática es solamente una herramienta para entender la realidad, al igual que lo es la lógica. Por eso presenta los modelos financieros en una forma intuitiva, aplicada y subordinada al análisis subjetivo del emprendedor. Toma muy en serio el propósito de acercarle la ciencia, y por eso emplea una diversidad de herramientas didácticas que hoy permite la tecnología: aplicaciones de Excel, videos con explicaciones paso a paso, contacto con emprendedores en redes sociales. Es teoría, lista para usar.

8 lecciones de liderazgo militar para emprendedores / 8 Lessons in Military Leadership for Entrepreneurs Jan 28 2020 El autor de Padre Rico, Padre Pobre nos explica cómo incorporar las lecciones que recibió en la escuela militar a la vida cotidiana y a los negocios para alcanzar el éxito. 8 lecciones de liderazgo militar es una lectura obligatoria para emprendedores. Las estadísticas muestran que nueve de cada 10 emprendedores fracasan en los primeros cinco años de su negocio. Por cada 10 que sobreviven, nueve fracasan en los siguientes cinco años. La pregunta es: ¿Cuál es la diferencia entre el emprendedor exitoso y los nueve que fracasan? ¿La respuesta?: El éxito como emprendedor requiere las mismas habilidades, valores y fortaleza de liderazgo inculcadas en el ejército. En este libro, Robert T. Kiyosaki contrasta las diferencias entre el éxito en el mundo civil y el mundo militar. Los lectores aprenderán cómo aplicar el entrenamiento militar para mejorar las probabilidades de tener éxito en el mundo empresarial. Algunas de las secciones más importantes de 8 lecciones de liderazgo militar: Misión Respeto Velocidad Líderes como maestros Disciplina Autoridad El poder de la conectividad Ventas y liderazgo El entrenamiento

militar desarrolla grandes emprendedores ENGLISH DESCRIPTION Robert Kiyosaki's new book 8 Lessons in Military Leadership for Entrepreneurs draws from his years at the Merchant Marine Academy at Kings Point and his service in the United States Marine Corps. With compelling stories and examples and an engaging way of comparing and contrasting two very different cultures and value systems, Robert shares the challenges he faced in transitioning to civilian life…where chain of command and team-over-self—once so black and white—were muddy and distorted. "Permission to speak freely, sir?" Count on it. This is Robert Kiyosaki—and he does just that, in the forthright and no-nonsense style that readers have come to expect and appreciate. From Robert's perspective, military training shapes lives and supports entrepreneurship. The training, discipline, and leadership skills taught in the military can be leveraged for huge success in the civilian world of business. Highlights of 8 Lessons in Military Leadership for Entrepreneurs include sections on Mission and Team, Discipline, Respect, Authority, Speed, the Power of Connectivity, Leaders as Teachers, Sales and Leadership.

Companies and Entrepreneurs in the History of Spain Dec 09 2020 This book analyses the economic history of the company and entrepreneurship in Spain from the 15th century to the present. It evaluates the economic theory, the formation of the figure of the entrepreneur, as well as the structure of the companies. This exploration of the businessmen in Spain over several centuries is something that has not been done until now. Joining the great Spanish historiographical debate about the existence or not of entrepreneurship, the book brings together research in very different historical contexts and junctures. It presents a selection of cases of companies and entrepreneurs from Spain, from different sectors, regions and periods, from boom to crisis, from the wine businessman to the railway sector, from private banking to the pioneers of the Spanish travel agency business. It will be of interest to academics and students in economic history, business and management history, as well as researchers in entrepreneurship & small business management.

El libro negro del emprendedor Sep 17 2021 Ser emprendedor constituye una postura vital, una forma de enfrentarse al mundo que implica disfrutar con la incertidumbre y la inseguridad de qué sucederá mañana. No existen ideas brillantes que, por sí solas, den lugar a negocios redondos: lo esencial es cómo un concepto se pone en práctica. Sin embargo el 90 % de las iniciativas fracasan antes de cuatro años y sólo el 3% de los manuales de empresa se dedican a explicar por qué. De ahí la relevancia de este libro. Fernando Trías de Bes, coautor de La buena suerte, analiza los factores clave del fracaso y define los rasgos que debe reunir un verdadero emprendedor: motivación y talento para ver algo especial en una idea que puede que otros ya conozcan. Pero, por encima de todo, es necesario disponer de un espíritu luchador: no fracasan las ideas, sino son las ilusiones las que se dejan vencer por falta de cintura, imaginación y flexibilidad para afrontar imprevistos.

The Art of Raising Capital Apr 24 2022 Darren Weeks is Canada's most prominent financial educator. He is the Founder of the Fast Track Group of Companies, an acclaimed solutions-based financial literacy firm and one of the nation's fastest-growing companies. For nearly a decade and a half, Darren has spoken to hundreds of thousands of people across North America, Europe and Latin America about how to become financially independent. He is an advocate of learning how to create wealth through business and investment, and believes that this vital knowledge is lacking from traditional education. In fact, in every country that he has spoken Darren has seen that schools do not teach their students to manage money. Darren has made it his mission to fill that void by providing financial education to people across the world. He went from an average middle-class upbringing to raising hundreds of millions of dollars in investor capital, owning nearly 5,000 real estate properties, millions of dollars in energy assets and acquiring two cruise ship terminals in the Caribbean. All of this was accomplished by educating himself on how to do it and then taking

action. There is no greater expert on the art of raising capital from investors and no person more committed to sharing this information than Darren Weeks.

Emprendedor Apr 05 2023 Emprender es un juego en donde tienes todo en contra. Más del 90% de los emprendimientos fracasan. Solo un pequeño porcentaje de emprendedores tienen éxito. Aún después de convertirse en ese pequeño grupo de emprendedores con negocios exitosos, muchos terminan siendo esclavos de su negocio: estaban buscando la libertad que promete el emprendimiento, y construyeron una operación que depende de ellos: se convirtieron en autoempleados. Una de las razones principales del fracaso de los negocios es la falta de conocimiento. Los emprendedores no han sido educados en los principios, modelos y sistemas para contruir negocios exitosos. En Emprendedor: Conquista el arte de los negocios, Victor Hugo Manzanilla, emprendedor en serie y ejecutivo de empresas Fortune 500, nos muestra los principios, modelos y sistemas para construir negocios con éxito. Desde cómo dar el salto del empleo al emprendimiento, hasta los principios para construir marcas exitosas, cómo leer estados financieros y dominar el arte de las ventas, este libro te entregará lo más importante para convertirte en un emprendedor sólido. Este es un libro para cualquier persona que tenga el sueño de crear algo para sí mismo, y que tenga la valentía y el compromiso de llevarlo a la realidad.

Operations Management Dec 29 2019 This exciting new textbook provides exceptional coverage of the essential topics taught in a modern operations management course. Its highly current coverage includes contemporary and relevant service theory and applications. Appropriate manufacturing applications and theory are included where relevant. The book's modern/strategic approach addresses OM from a cross-functional perspective, which views operations as linked to all other functional areas of an organization, such as marketing and finance. The strategic approach takes into consideration the integration of technology and how it changes the way a firm operates. Recognition of this current trend is the main differentiating factor for this Collier/Evans text. The book provides equal coverage of manufacturing and services theory and applications, while placing an emphasis on the integration of the value chain.

Get A Grip Nov 07 2020 It's time to take your business to the next level. Eileen Sharp and Vic Hightower were frustrated. After years of profitable, predictable growth, Swan Services was in a rut. Meetings were called and discussions held, but few decisions were made and even less got done. People were pointing fingers and assigning blame, but nothing happened to solve Swan's mounting problems. It felt as though they were working harder than ever but with less impact. The company Eileen and Vic had founded and built for 10 years was a different place. It just wasn't fun anymore. Their story is not unusual. The challenges they were facing are common, predictable, and solvable. Get A Grip tells the story of how Swan Services resolves its issues by implementing the Entrepreneurial Operating System®. With the help of EOS, Eileen, Vic, and their leadership team master a set of managerial tools that allow them to get traction on their business, grow the business, and deliver better results for clients. The story of Swan Services is a fable, but the Entrepreneurial Operating System® is very real and has helped thousands of businesses worldwide. A complete entrepreneurial toolkit, EOS has helped thousands of businesses get to where they want to be. In Get A Grip, learn how Swan Services leaders learned to develop and commit to a clear vision, establish focus, build discipline, and create a healthier and more cohesive team. With characters and situations created from collective business experiences and stories, Get A Grip is a fable that will ring true for entrepreneurial leaders the world over and guide them to get their companies on track.

Mission Economy Mar 31 2020 'One of the most influential economists in the world' Wired Even before the Covid-19 pandemic in 2020, capitalism was stuck. It had no answers to a host of problems, including disease, inequality, the digital divide and, perhaps most blatantly, the environmental crisis. Taking her inspiration from the 'moonshot' programmes which successfully co-ordinated public and private sectors on a massive scale, Mariana Mazzucato calls for the same level of boldness and experimentation to be applied to the biggest problems of our time. We must, she argues, rethink the capacities and role of government within the economy and society, and above all recover a sense of public purpose. Mission Economy, whose ideas are already being adopted around the world, offers a way out of our impasse to a more optimistic future.

Piense y Hagase Rico (Spanish Edition) Oct 07 2020 El Libro Piense y Hagase Rico escrito por Napoleón Hill, es conocido como el método más famoso y efectivo para hacer dinero ya que con más de setenta millones de copias vendidas y traducido a más de 40 idiomas, ha tenido más éxito que cualquier otra obra de su género. Para escribirlo, el autor entrevistó a las 500 familias más ricas de los Estados Unidos, quienes le revelaron el origen de su fortuna. Promocionado por Mahatma Gandhi, fue ampliamente distribuido en la India. Publicado en el año 1937, se le considera el inicio del género de la literatura de superación personal, más conocido en la actualidad como autoayuda. Muchas personas lo consideran un libro inspirador, capaz de cambiar su visión de la vida y los negocios.

Emprendedor Digital: Oportunidades de Negocios Después de la Crisis, para Jóvenes Emprendedores Jun 26 2022 "Emprendedor digital: oportunidades de negocios después de la crisis, para jóvenes emprendedores": Saber identificar nuevos nichos y oportunidades en este mundo que está cambiando a pasos agigantados y sin precedentes después de esta crisis; Es de vital importancia, para todas aquellas personas que tenga el ferviente deseo de emprender y alcanzar la libertad económica. Como dice el reconocido empresario Bill Gates "El secreto del éxito en los negocios es detectar hacia dónde va mundo y llegar ahí primero" puesto que si tienes la habilidad para detectar en qué dirección se mueven las masas, podrás posicionarte como un referente en ese nicho de mercado y dominar las reglas. A raíz de esa necesidad creamos este libro-guia, que te mostrará las nuevas tendencias que se avecinan y cómo puedes surfearlas, desde cómo crear activos que generen flujo de efectivo aprovechando estas tendencias nacientes en esta nueva economía, hasta cómo alcanzar cada meta o proyecto personal que te hayas planteado. ¿Te has preguntado por qué los ricos se hacen cada vez más ricos y los pobres cada vez más pobres? Simplemente porque los ricos detectan una necesidad y crean sistemas que trabajan para ellos. Verás, nadie puede darte una fórmula mágica para hacerte millonario, y quien lo haga te miente. Lo que si podemos es brindarte y proveerte de herramientas que amplíen tu visión y te muestren un mundo lleno de oportunidades realistas a pesar de los ciclos económicos que estamos viviendo. Para que así puedas retirarte lo más joven posible y vivir a tus términos. ¡El momento es ahora! si no, ¿cuándo? Únete a nuestra comunidad.

Th Power of Discipline Dec 21 2021 THERE ARE MANY SECRETS FOR SUCCESS, AND THIS ONE IS THE MOST EFFECTIVE Imagine creating a habit that builds the ideal life and that, at the same time, is the origin of all the good habits you wish for yourself. This book, based on the experiences of the author, reveals the Superpower that gave him everything in life. The author explains how discipline became his sole secret weapon to achieve his goals. Additionally, he explains anecdotally and provides a vision that will change your mentality and behavior. Such a simple habit, available to everyone, and so easy that its power to change any life and take it to the yearned ideal is surprising. This intense reading will inspire you to: Pass to immediate action Live from meaning Develop habits to be unstoppable Defeat internal resistance Enter a state of Flow Create automatic habits The author shares real examples of how the Superpower of discipline led him to achieve, in autopilot, his personal and professional goals. Say "Enough!" to procrastination and pass to action. **THIS BOOK HOLDS THE KEY TO ACHIEVING YOUR GOALS**

Entrepreneurship Jan 10 2021 Learn the skills of entrepreneurship with this resource that is designed to help anyone who wants to start or grow a business. Tracy is a bestselling author who has consulted for more than 1,000 companies and addressed more than 5 million people throughout the world.

Built to Sell Jul 28 2022 According to John Warrillow, the number one mistake entrepreneurs make is to build a business that relies too heavily on them. Thus, when the time comes to sell, buyers aren't confident that the company-even if it's profitable-can stand on its own. To illustrate this, Warrillow introduces us to a fictional small business owner named Alex who is struggling to sell his advertising agency. Alex turns to Ted, an entrepreneur and old family friend, who encourages Alex to pursue three criteria to make his business sellable: * Teachable: focus on products and services that you can teach employees to deliver. * Valuable: avoid price wars by specialising in doing one thing better than anyone else. * Repeatable: generate recurring revenue by engineering products that customers have to repurchase often.

Como Listar En El G8? Apr 12 2021 En el mundo globalizado en el que vivimos, las empresas requieren poseer ventajas competitivas que les permitan atraer más capital y tener mayor presencia mundial. Por ello, listar en una bolsa local no resulta suficiente y contrario a la tendencia actual de listar en países emergentes, listar en países desarrollados brinda mayores beneficios. Este libro presenta una recopilación traducida al español de los requisitos y costos necesarios para que una empresa extranjera pueda listar en alguna de las bolsas del G8. Además, incluye un análisis de rentabilidad que muestra qué bolsa es más rentable. Todo esto con el fin de ofrecer al lector un panorama completo acerca de las ventajas y posibles desventajas de listar en una bolsa extranjera perteneciente al G8. Este libro está dirigido a todas las personas, empresas u organismos que deseen obtener mayor información acerca de las bolsas antes mencionadas. Es un libro para todos los lectores, sean o no expertos en finanzas.
