Its unique emphasis on visible progression and visual engagement, along with direct links to the MyMaths site, all help to bring maths alive for your higher-level students. Created in partnership with White Rose Maths, student book 2 for KS3 Maths follows the White Rose schemes of learning for Year 8 where mathematical concepts are broken down into small steps to help all pupils make progress. Written by White Rose teachers, it helps develop confident and capable mathematicians who can do and enjoy key stage 3 maths. The format of Mental Arithmetic differs from that of traditional mental arithmetic materials in that pupils read the questions themselves, use rough paper for workings out, and write down their answers. It provides intensive practice in all areas of the maths curriculum. The KS3 curriculum plays a critical part in giving students the best possible start to their secondary education and preventing the need for intervention later on. This timely book provides detailed guidance on how to develop a robust, multifaceted, inclusive and challenging KS3 curriculum in English that provides a secure and progressive link between KS2 and KS4. Featuring examples of curriculum models and audits of current practice, chapters cover key topics such as: developing the planning cycle; transitioning between primary and secondary English; assessment in KS3 English; creating a model that supports and challenges students of all levels; LAC and SPAG: divisive or cohesive abbreviations; speaking and listening in the KS3 English curriculum; using multimodal texts; examples of how meaningful homework can successfully embed itself in a KS3 English curriculum model. Make Key Stage 3 Matter in English will be an invaluable resource for KS3 English coordinators, teachers and all those involved in the planning and delivery of the KS3 English curriculum. This vocabulary book is an invaluable guide for pupils preparing for Common Entrance and other entrance exams at 13+ and lists all the Latin words required at this level (from Autumn 2014 onward, there are three additional pieces of vocabulary required for Level 2 and 3 exams, which can be downloaded from www.galorepark.co.uk). Words are arranged first alphabetically, first from Latin to English and then from English to Latin. Brief grammar and verb tables are also included to ensure pupils understand how vocabulary should be used in practice. - Endorsed by ISEB - Covers all the vocabulary required for Common Entrance and entrance exams at 13+ to ensure pupils build a firm foundation of Latin - All vocabulary required at this level is arranged alphabetically with the level clearly displayed for clarity and ease of revision Along with the additional vocabulary found at www.galorepark.co.uk, this book is suitable for ISEB 13+ Latin Common Entrance exams before and after Autumn 2014.
